THE ENGLISH HIGH SCHOOL — Founded 1821

"If anything will preserve tranquility and order in a community, perpetuate the blessings of society, and free government, and promote the happiness of a people, it must be diffusion of knowledge. These salutary effects, the committee conceives, would flow from the institution of this seminary."

Sub-Committee Report — School Report 1820

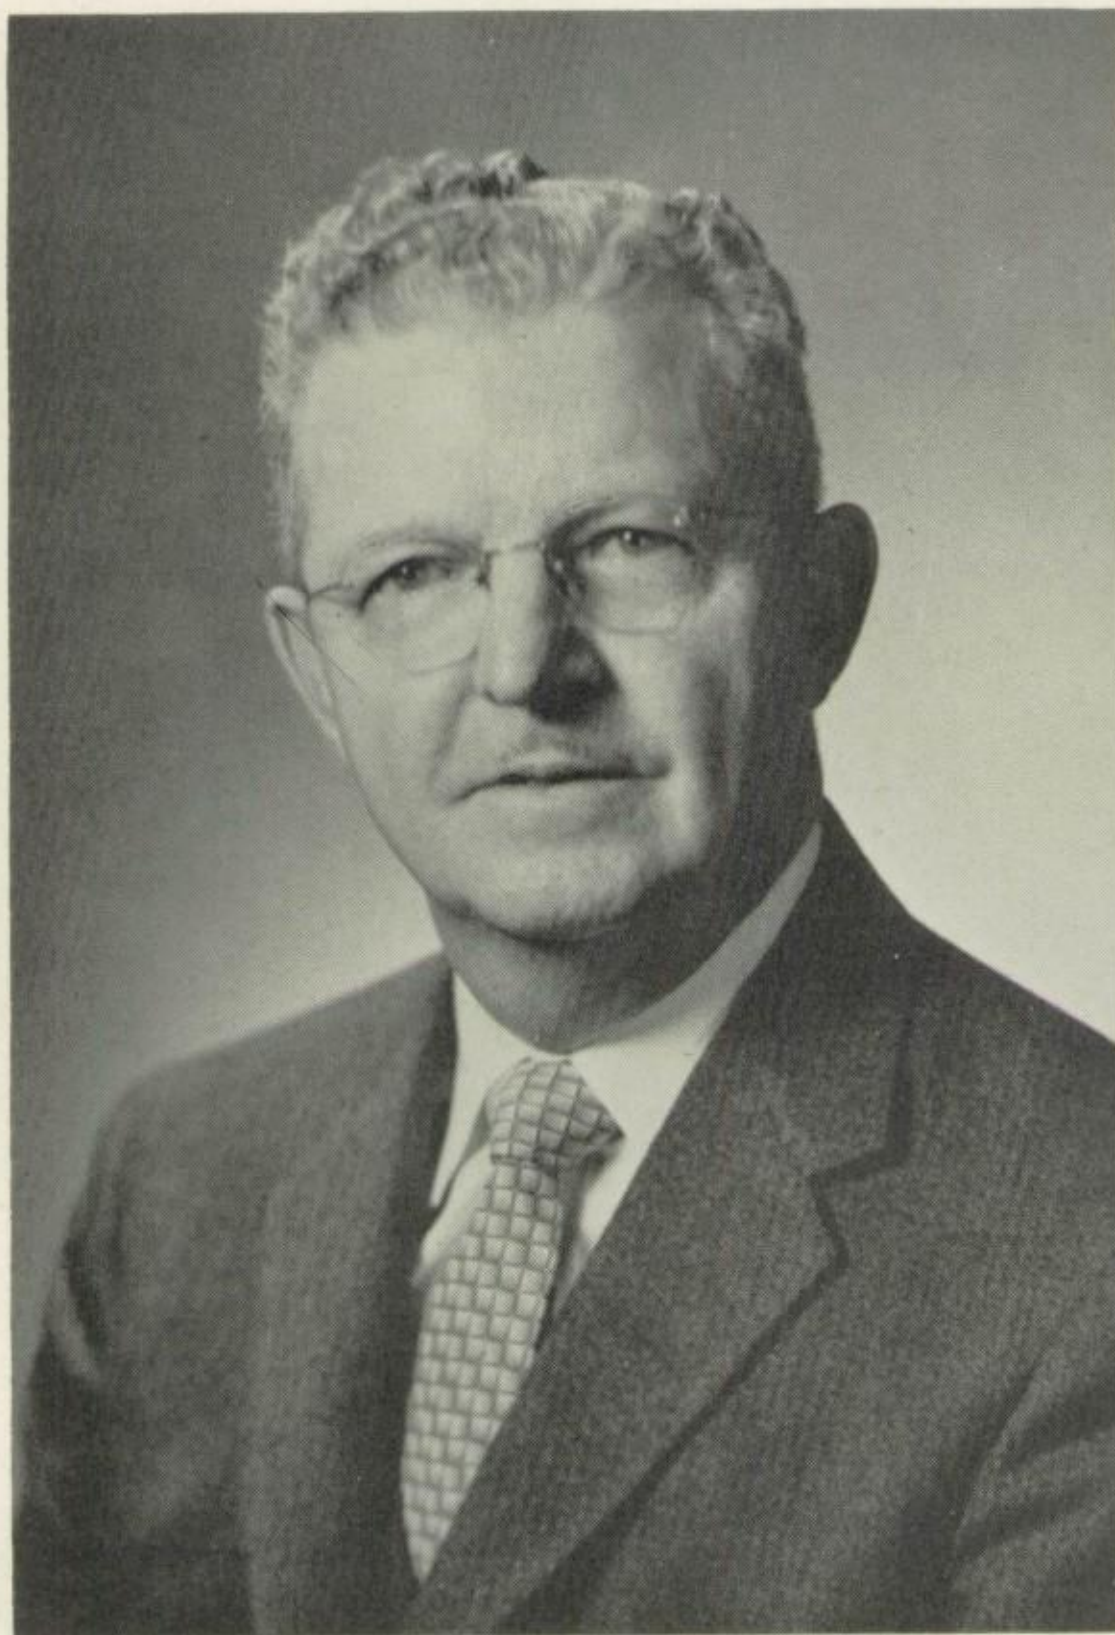

Foreword . . .

We, the class of 1960, offer this book in dedication to the spirit and tradition which English High School embodies.

From this heritage we have drawn strength and hope. To those students and faculties, who have stood as testimony to this spirit, we leave this book, firmly resolved to perpetuate that purpose that made English High School, the oldest of its kind in this land of ours, what it is today.

"The aim of every English High boy is to become a man of honor and achievement, through service to mankind."

JOSEPH L. MALONE

Head Master

Message to Members of the Graduating Class:

As Head Master of the English High School, may I extend the congratulations and best wishes of the members of the faculty, the alumni, and the entire student body to those who will graduate with the Class of 1960.

Thousands of young men have been graduated from our school in years gone by and each who has been faithful to our trust in him has served the school loyally and well by maintaining a high standard of effort in the college of his choice, by performing his tasks in the business world effectively and well, or by other purposive effort in his chosen field of endeavor.

The same intellectual competence and dedication to service which have characterized the English High School graduate in the past must continue to challenge his every effort in the future.

The potential that rests with you individually and as a group is wonderful to contemplate. What remarkable new things will it build! What new uses for the old will it discover! Opportunity unlimited lies before you. Make certain that you make the most of it through a life of purpose and achievement.

Many of you have qualities of leadership which will be readily demonstrated in the years that lie ahead. To that knowledge and ability which are the basis for competent leadership must be added the worthwhile purpose which will result in service to mankind; for service to mankind is the basis for that Honor and Achievement which is the aim of every English High School graduate.

May I wish for each of you the splendid success which will result if you will but strive to find in the goodness of a life well lived your own best development.

May God bless you and guide you in all your efforts.

Master Emeritus

MIAH J. FALVEY

This spring Miah J. Falvey retired. The faculty and the school will never be the same. His calm, judicial and dispassionate bearing was consistent with his attitude towards all matters that came to his attention.

He secured his A.B. from Boston College in 1911. After an involvement with the U. S. Navy during World War I, he joined in 1919 the faculty of English High School as a teacher of commercial subjects. He served as a vital member of that department until his appointment as Guidance Counselor in 1939, and became the kind preceptor, whose benevolent management of the problems of his charges distinguished his career.

Mr. Falvey's contributions have been unique. He will be sorely missed by both the faculty and the students.

Arlie W. Latham studied trumpet with Walter M. Smith and Albert Fisher, both world famous trumpeters, and with Louis Kloeppel, first trumpeter with the Boston Symphony Orchestra and teacher at the New England Conservatory of Music. He studied harmony, counterpoint, and music theory with Carl Gardner of the Boston Symphony Orchestra.

Mr. Latham played in the leading Boston theatre orchestras when each large theatre had its own orchestra. Some of the theatres in which he played were the old St. James, the famous B. F. Keith, the Shubert, and Loew's State. He was solo trumpeter with the celebrated Salem Cadet Band and Boston's own First Corps Cadet Band.

In 1928 he entered the Boston public school service as an Instrumental Instructor. In 1949 he was appointed a supervisor in the Music Department. He was a member of the English High School instrumental music staff for many years, and for the past several years prior to his retirement in 1959 he directed all instrumental music in English High School and developed many prize winning bands and bugle corps.

In Memoriam

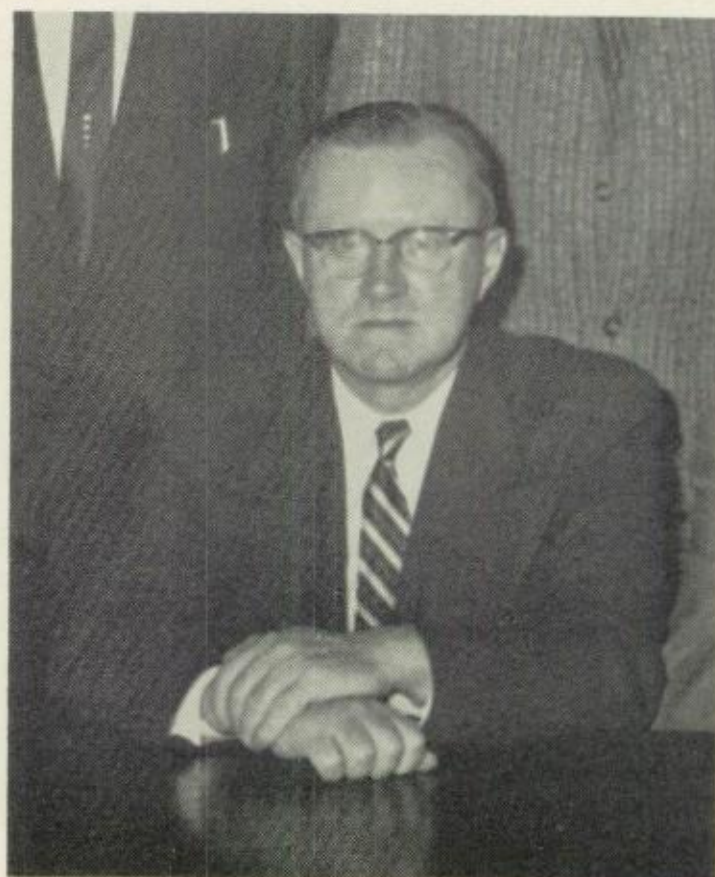

JOHN WILLIAM KELLEY

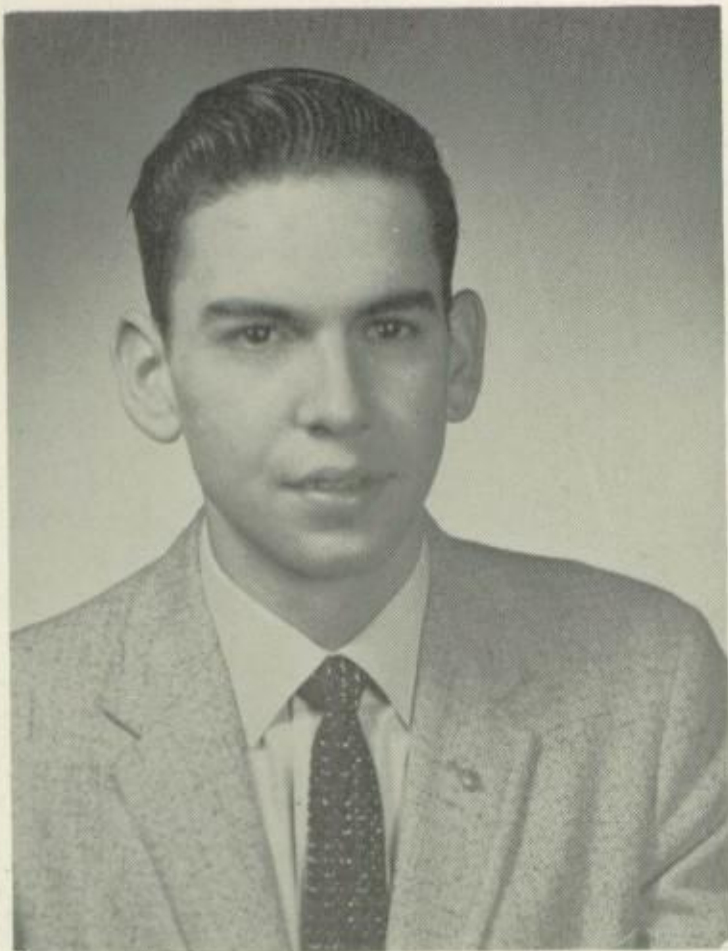

The English High School was saddened by the passing of John W. Kelley, on this past Christmas Day.

Mr. Kelley was an outstanding member of the School's History Department, and contributed significantly to the teacher-training program. He was an avid golf fan, and followed closely interscholastic sports.

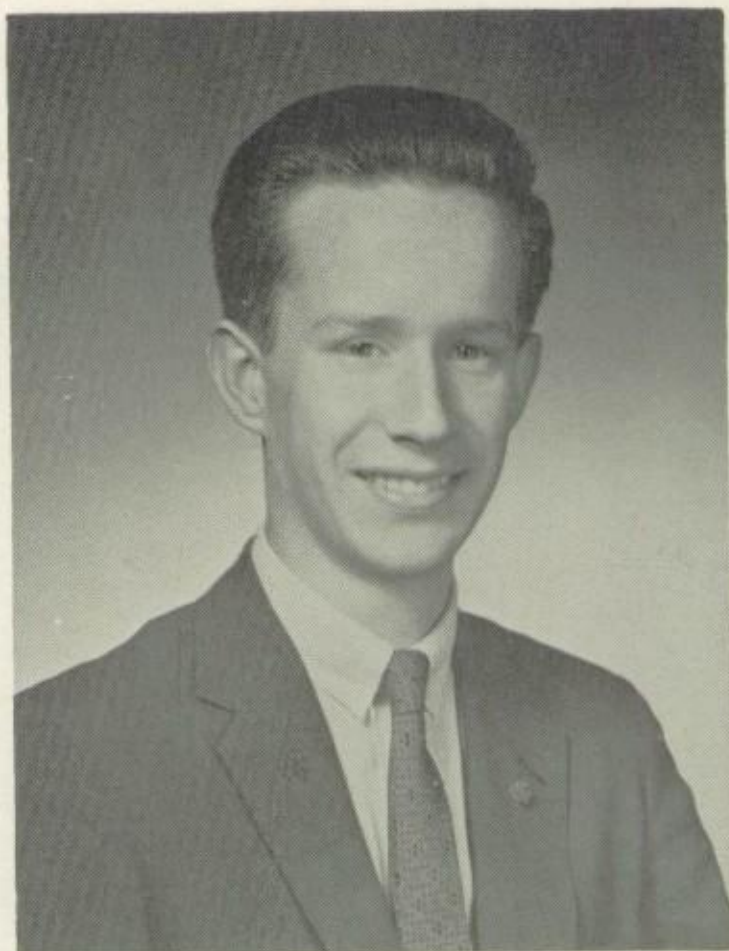

Upon his completion of his A.B. and A.M., both of which he received at Boston College, he taught at Oratory Preparatory School in Summit, New Jersey, until 1938. From then until his transfer to English High in 1955, he taught at the J. P. Timulty Junior High School.

Both the faculty and the students wish to express their deepest sorrow at the passing of this admirable man.

PRESIDENT'S ADDRESS

Fellow Classmates:

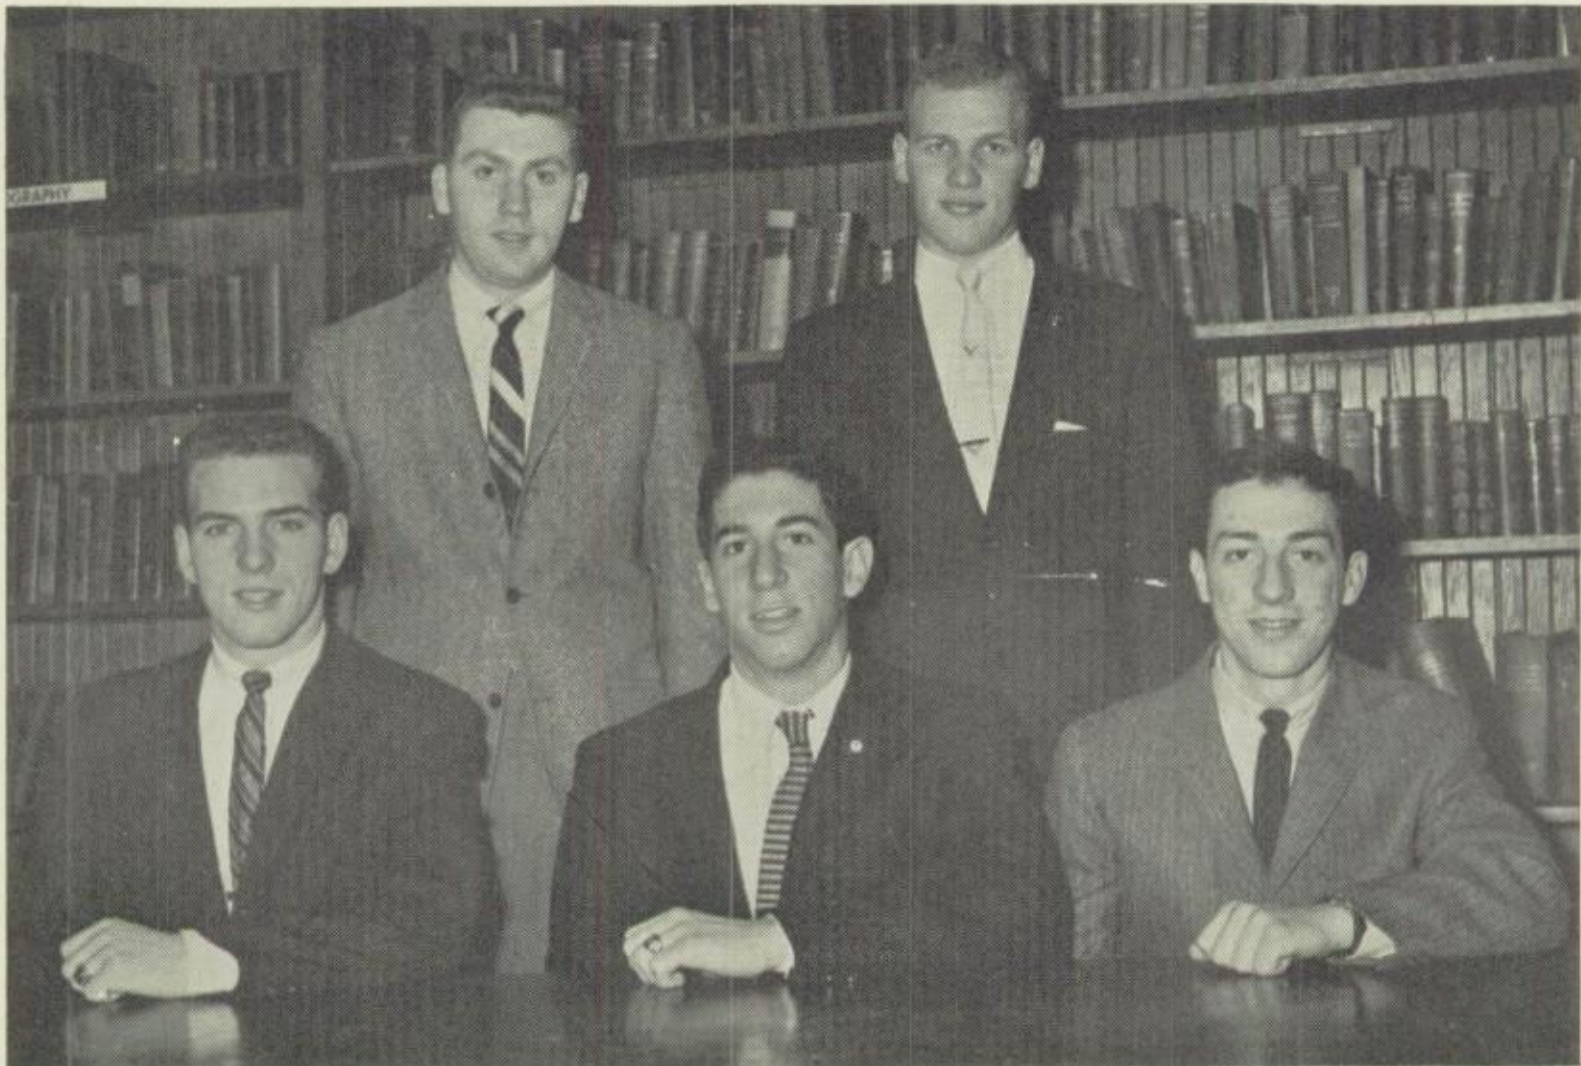

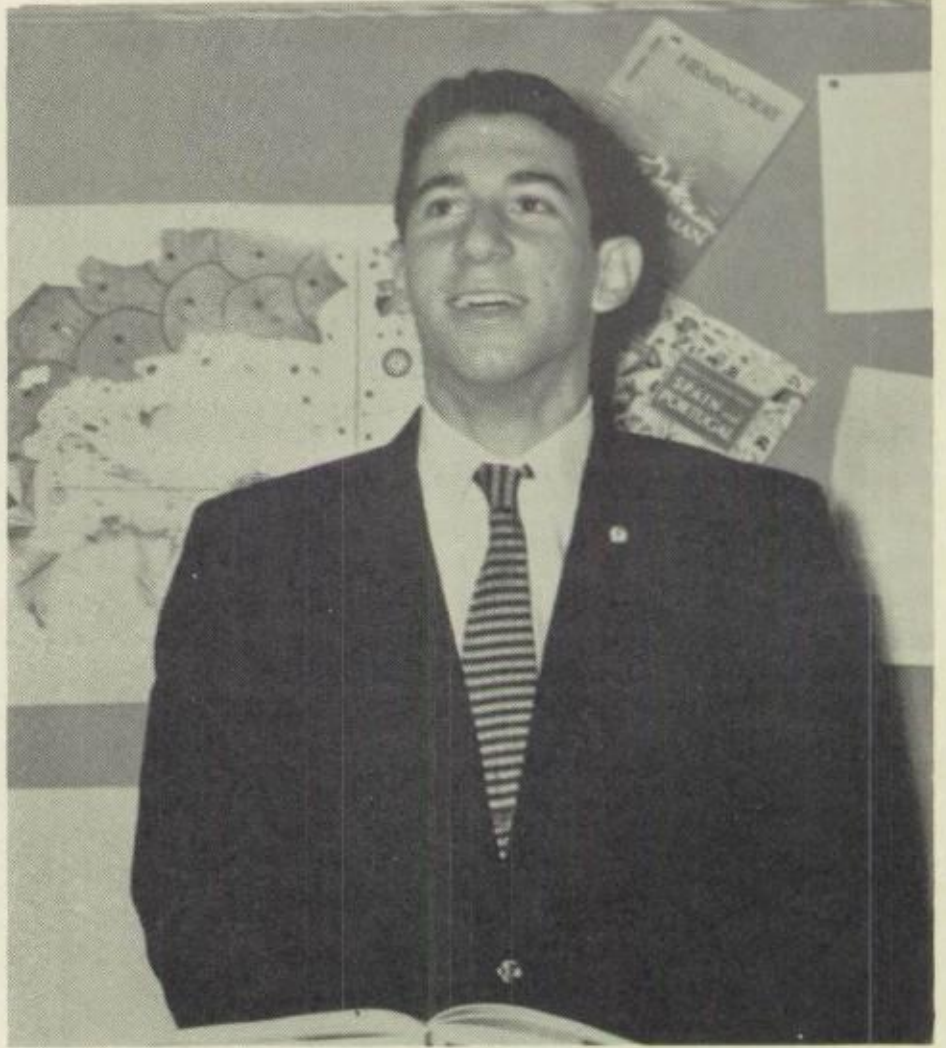

We have come to the end of an academic milestone and have done so with distinction and laudable success. In our four years at English High School, the faculty has not only devoted their efforts toward enabling us to maintain the high scholastic standards of our preceding graduates but, in addition, they have relentlessly given a guiding hand, which has helped to mold us into future citizens of our country.

We are about to enter into an unknown future in which we will meet both success and failure. However, if we remember our school motto, "Honor and Achievement," the success will be numerous and the failures few.

In closing, I wish to extend my sincerest hope that each of you will meet life courageously, that you will face the complexities of our fast-changing world with understanding and goodwill, and that you will continue to grow morally, spiritually, and intellectually.

May our paths cross often in the years to come!

Sincerely,
STEPHEN M. MARDER,
Class President

THE FIRST SCHOOLHOUSE—Derne and Temple Sts.
Erected about 1817
(From sketches by former pupils)

THE SECOND SCHOOLHOUSE

THE THIRD SCHOOLHOUSE
Founded in 1861

OUR

In 1821, Boston, a town of some 50,000 inhabitants, felt the need to supplement its school program, which consisted at that time of the Latin School and several English grammar schools. Plans were laid for the founding of The English High School.

A subcommittee consisting of merchants, the clergy, jurists, and journalists was appointed by the school committee to consider the subject of providing advanced schooling for the youth of the town. This committee presented a report which recommended the establishment of a school to be called English Classical School, with admittance attainable through suitable examination. They further stated that the course should be spread over a period of three years, with subjects including English, Math, and Natural Philosophy. Each subject was to be taught by a teacher who had graduated from a University.

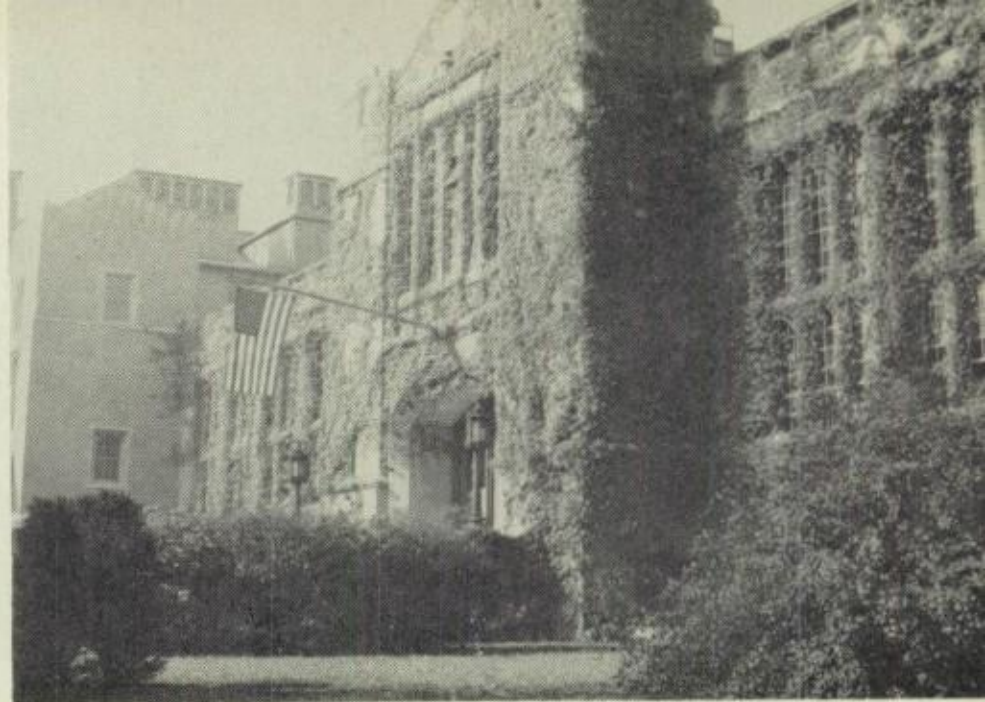

The school opened in a four-storied building on Derne Street with George Barret Emerson as headmaster. This location suffered from the joint occupancy of Hero Engine No. 6, the town watch in the basement, and the lack of an adequate heating

system. Solomon P. Miles took over the duties of headmaster in 1823.

Shortly after, in November of 1824, the school moved to Pinckney Street where it remained for twenty years. Upon the retirement of Mr. Miles in 1837, Thomas Sherwin became headmaster, holding this position for forty-one years until his death in July, 1869. Under Mr. Sherwin, The English High School became widely known for its preparatory courses in math, physics, and chemistry. Perhaps his greatest contribution was his emphasis toward "The making of men." Few men have so dearly left their imprint upon a school as did Mr. Sherwin.

In 1844, the school was moved to occupy jointly (with the Latin School) a new building on Bedford Street. In these thirty-one years, the enrollment tripled.

It is interesting to note that when the school moved into its new building on Bedford Street, the Public Garden was a barren waste. The tide flowed over the Back Bay and the site of the school later on Montgomery Street and Warren Avenue was an

HERITAGE

unreclaimed marsh.

Mr. Charles M. Cumstan, in whose name an undergraduate scholarship is named, succeeded Mr. Sherwin as Master-in-charge in September of 1869 and remained until 1874, at which time he retired. Following Mr. Cumstan, Mr. Edwin P. Seavers, an assistant professor of mathematics at Harvard was appointed headmaster.

In 1880, Francis A. Waterhouse was appointed to the headmastership and it was during his term that English moved to its fourth building located on Montgomery Street in Boston. This new building was called the "most modern and elaborate building in the whole public school system." Enrollment doubled.

Upon the death of Mr. Waterhouse, Mr. Babson, a Harvard graduate, was installed as headmaster. It was during his administration that the system of heads of departments was introduced. Mr. Babson, because of ill health, resigned in 1908 to be succeeded by Mr. John F. Casey, who remained headmaster until 1915, when he was succeeded by

Mr. Snow, a B. U. graduate.

Before the centenary year was over, Mr. Snow was elected to Assistant Superintendent of school, thus withdrawing in favor of Mr. Walter F. Downey, who remained headmaster until 1953.

In the summer of 1953, the Boston School Committee appointed Mr. M. Henry McInerney as headmaster of The English High School.

The old building on Montgomery Street had been abandoned in favor of the old High School of Commerce building on Avenue Louis Pasteur, directly across the street from our traditional rival, Boston Latin. In 1956, Mr. Joseph L. Malone became headmaster. Since his appointment, many honors have been brought to the school.

The Boston English High School has had a long and glorious history. Members of its faculty have given of themselves to the school as well as the entire school system. Its graduates, having travelled far and in sundry directions, have brought distinction to the Alma Mater.

"Men of Honor and Achievement"

Edward E. Jameson, winner of Gold Medal at the City Science Fair.

Lawrence Prize — Fidelity and Deportment winners: Philip E. Alman, William Briggs, Gerard Joseph Cronin, Kenneth Foster, Joseph Greene, John E. Hogan, Michael T. Leonard, Raymond Malouf, Paul Polonsky, Michael Schwartz, Steven A. Silverman, Benny Yee.

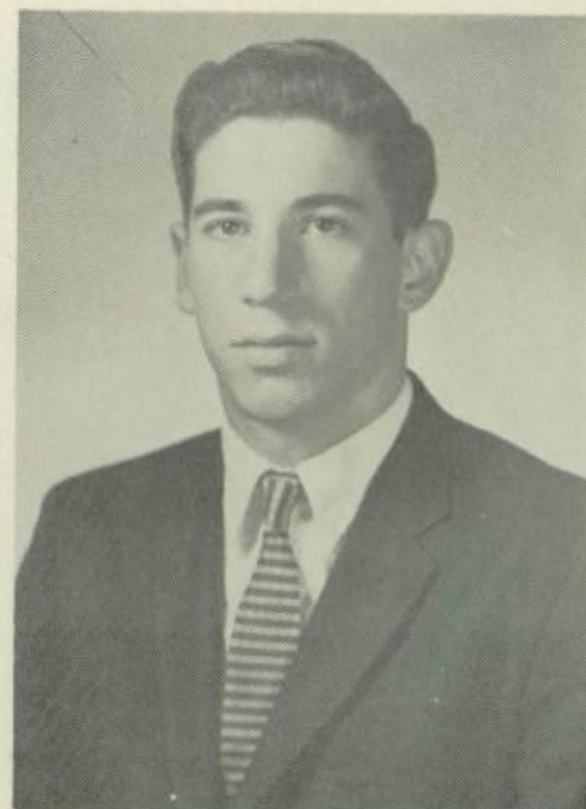

E.H.S. Delegation to the United Nations included: Harold L. Abrahms, Philip E. Alman, Thomas G. Anderson, David Carrey, Arnold Friedman, Eric Loth, Phillip S. Rubin, Francis W. Ruscetti, Harvey A. Siegel, Edward Smith, Arthur L. Stewart.

Robert I. Downey winner of "American Association for the United Nations Contest."

E.H.S. Delegation to the Student Model United Nations Assembly at Harvard included: Sidney D. Bloom, George F. Conlin, Gerard Cox, Leonard Gold, Austin W. Greene, Barry M. Jaye, Clare E. Lawrence, Edward F. McElroy, Thomas McMullin, Francis W. Ruscetti, Robert B. Severy, John J. Simpson, H. Randall Webb, Michael Tobin.

Student Government Day Representative: Steven H. Marder.

LAWRENCE PRIZE WINNERS

English: George Brown, Michael Leonard, Eric Loth; History: James J. Flynn, Michael Leonard; German: Steven J. Hershman; French: John J. Simpson; Mathematics: Leonard E. Adelson; Science: Robert L. Irvine; Business Education: Elwood McElroy, Robert Parker, William Holzman, Michael Tobin, George Saef, Robert Tango, Steve Patsavos; Art: Ronald Ghiz; Physical Education: Louis Kfoury.

E.H.S. Debate with Canton High School: William J. Briggs, Eric B. Loth, Michael Tobin, Michael S. Wong.

Student Exchange with Canton High School: Austin W. Greene, Barry M. Jaye, Eric B. Loth, Steven M. Marder, Francis W. Ruscetti, Michael S. Wong.

E.H.S. Delegation to Junior Educational Seminar at Boston College: Front row, Michael S. Wong, Francis W. Ruscetti, Michael Tobin. Rear row: Eric B. Loth, Clare Lawrence.

Chairman-Timekeepers at the Seventh Annual Invitation Forensic Tournament sponsored by the Harvard University Debate Counsel in which more than eight colleges and universities from the U. S. and Canada participated: Gerard Cox, Alfred J. Fisher, Alan H. Furhman, Austin W. Greene, Robert L. Irvine, Barry M. Jaye, Eric B. Loth, Francis W. Ruscetti, Michael S. Wong.

NATIONAL HONOR SOCIETY

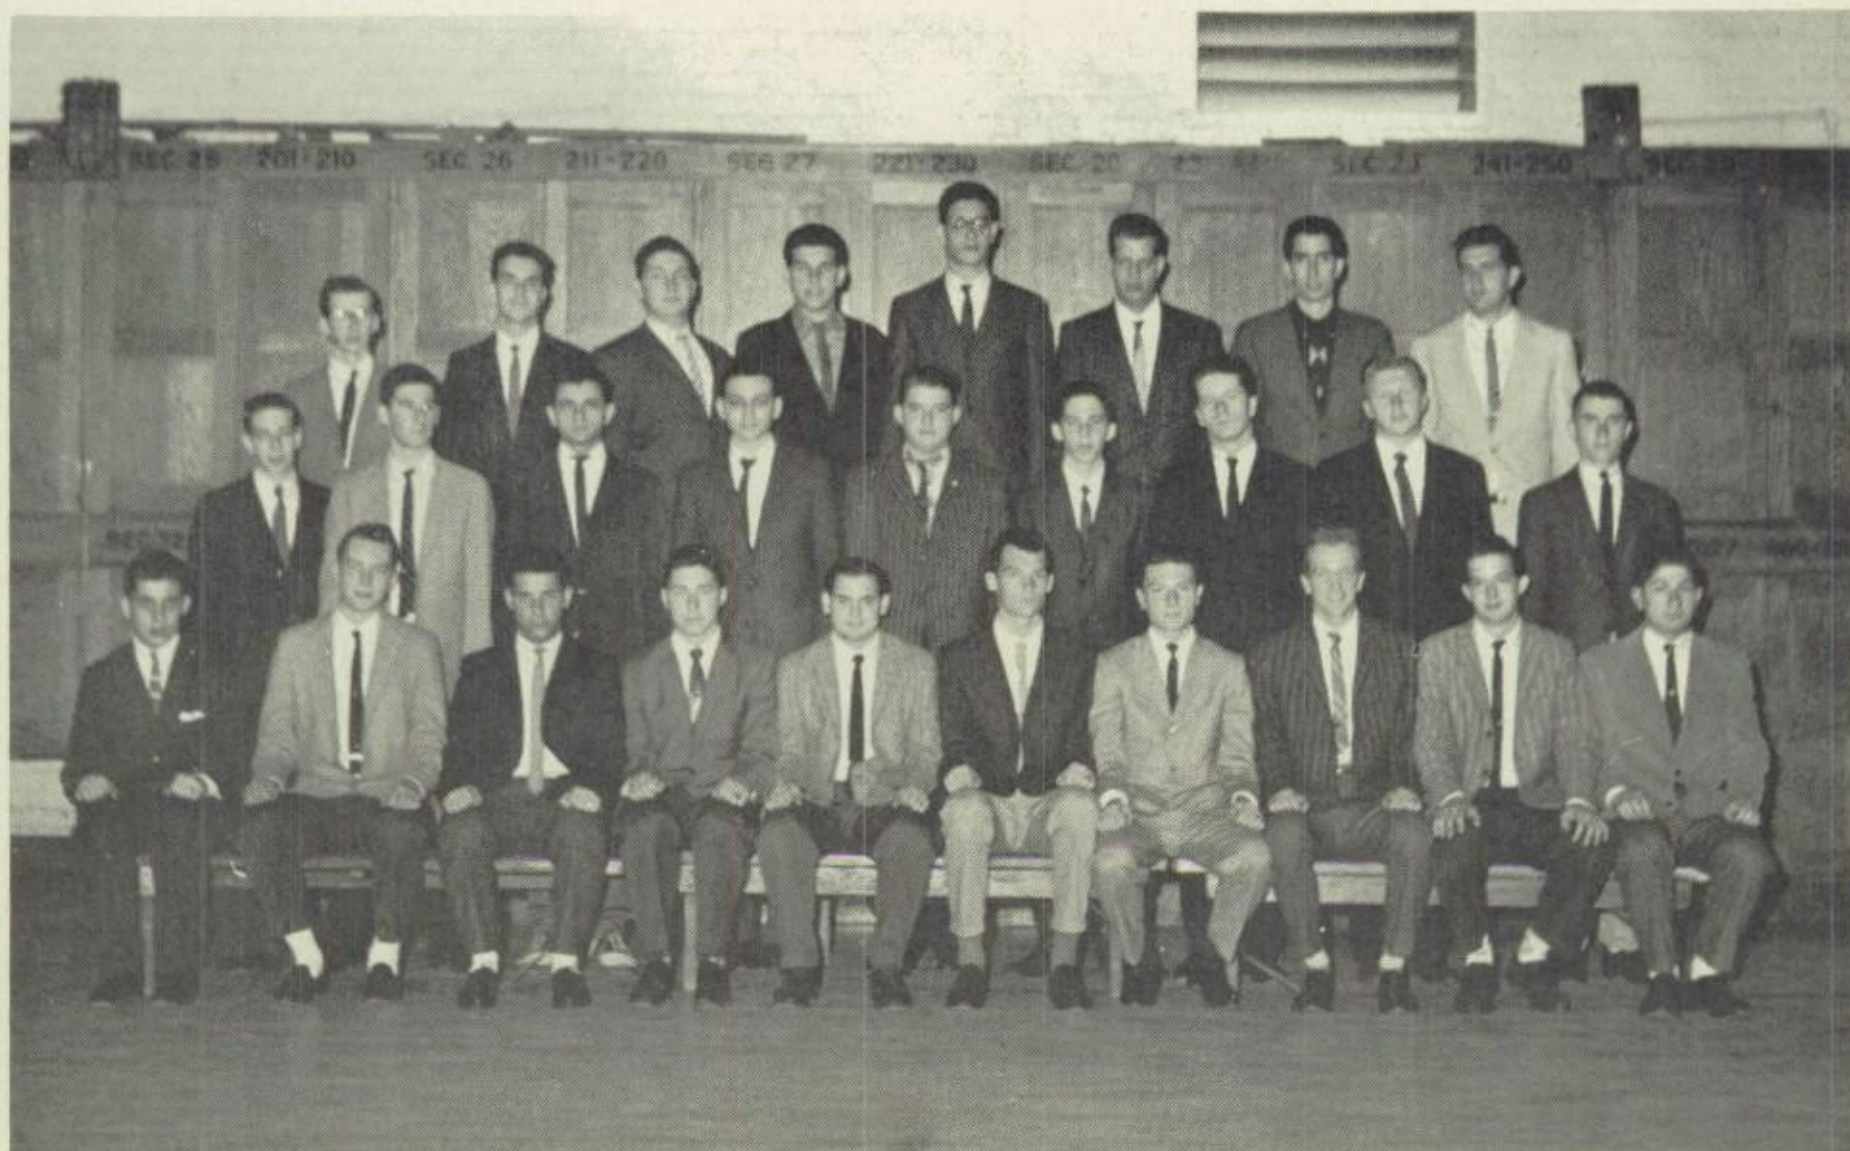

Excerpt from the Charter of the English High School Chapter of the National Honor Society

"Know all Men by these Presents, that Whereas, character, scholarship, leadership, and service are cardinal qualities worthy of encouragement in all schools, therefore the National Honor Society of Secondary-School Principals gives, grants and delegates through the authority of this chapter the privilege and power to establish, conduct, and administer the English High School of Boston Chapter as a local chapter of the National Honor Society of Secondary Schools.

The members of the National Honor Society Chapter of Boston English High School were nominated on the basis of their having consistently attained honor-roll marks during the school year, the numbers of juniors selected being equal to half the number of seniors eligible. Belonging to this exclusive group was an honor and a privilege which served as incentive for others to join. Those whose names appear on the scroll of the Honor Society also appear elsewhere conspicuously. In sports and other extracurricular activities, these men are prominently represented. Our class may well be proud of its members who belong to the nation-wide organization. We wish them luck. We know that they will be among those who will lead the way in bringing honor and credit upon the name of the Class of 1960 of the English High School of Boston.

THE ENGLISH HIGH SCHOOL RECORD

The aim of the English High School Record this year was to produce a magazine having the widest possible appeal, consistent with good topics being published: Representative topics include sports, poetry, electronics, and music.

The editorials have been written with the purpose of interesting readers in new facets of school life and broadening their scope by exciting interest in the happenings of the world.

Much favorable comment has been received on the policy of encouraging the art department to contribute original artwork. The sports section, written by members of the teams involved, has been noted for its excellent descriptions of track meets, football games, boat races, baseball games, and tennis matches. A number of humorous short stories and articles have been added as regular features. On the serious side there have been formal essays on topics of current interest, as well as descriptions of the activities and aims of the various clubs and organizations of the school.

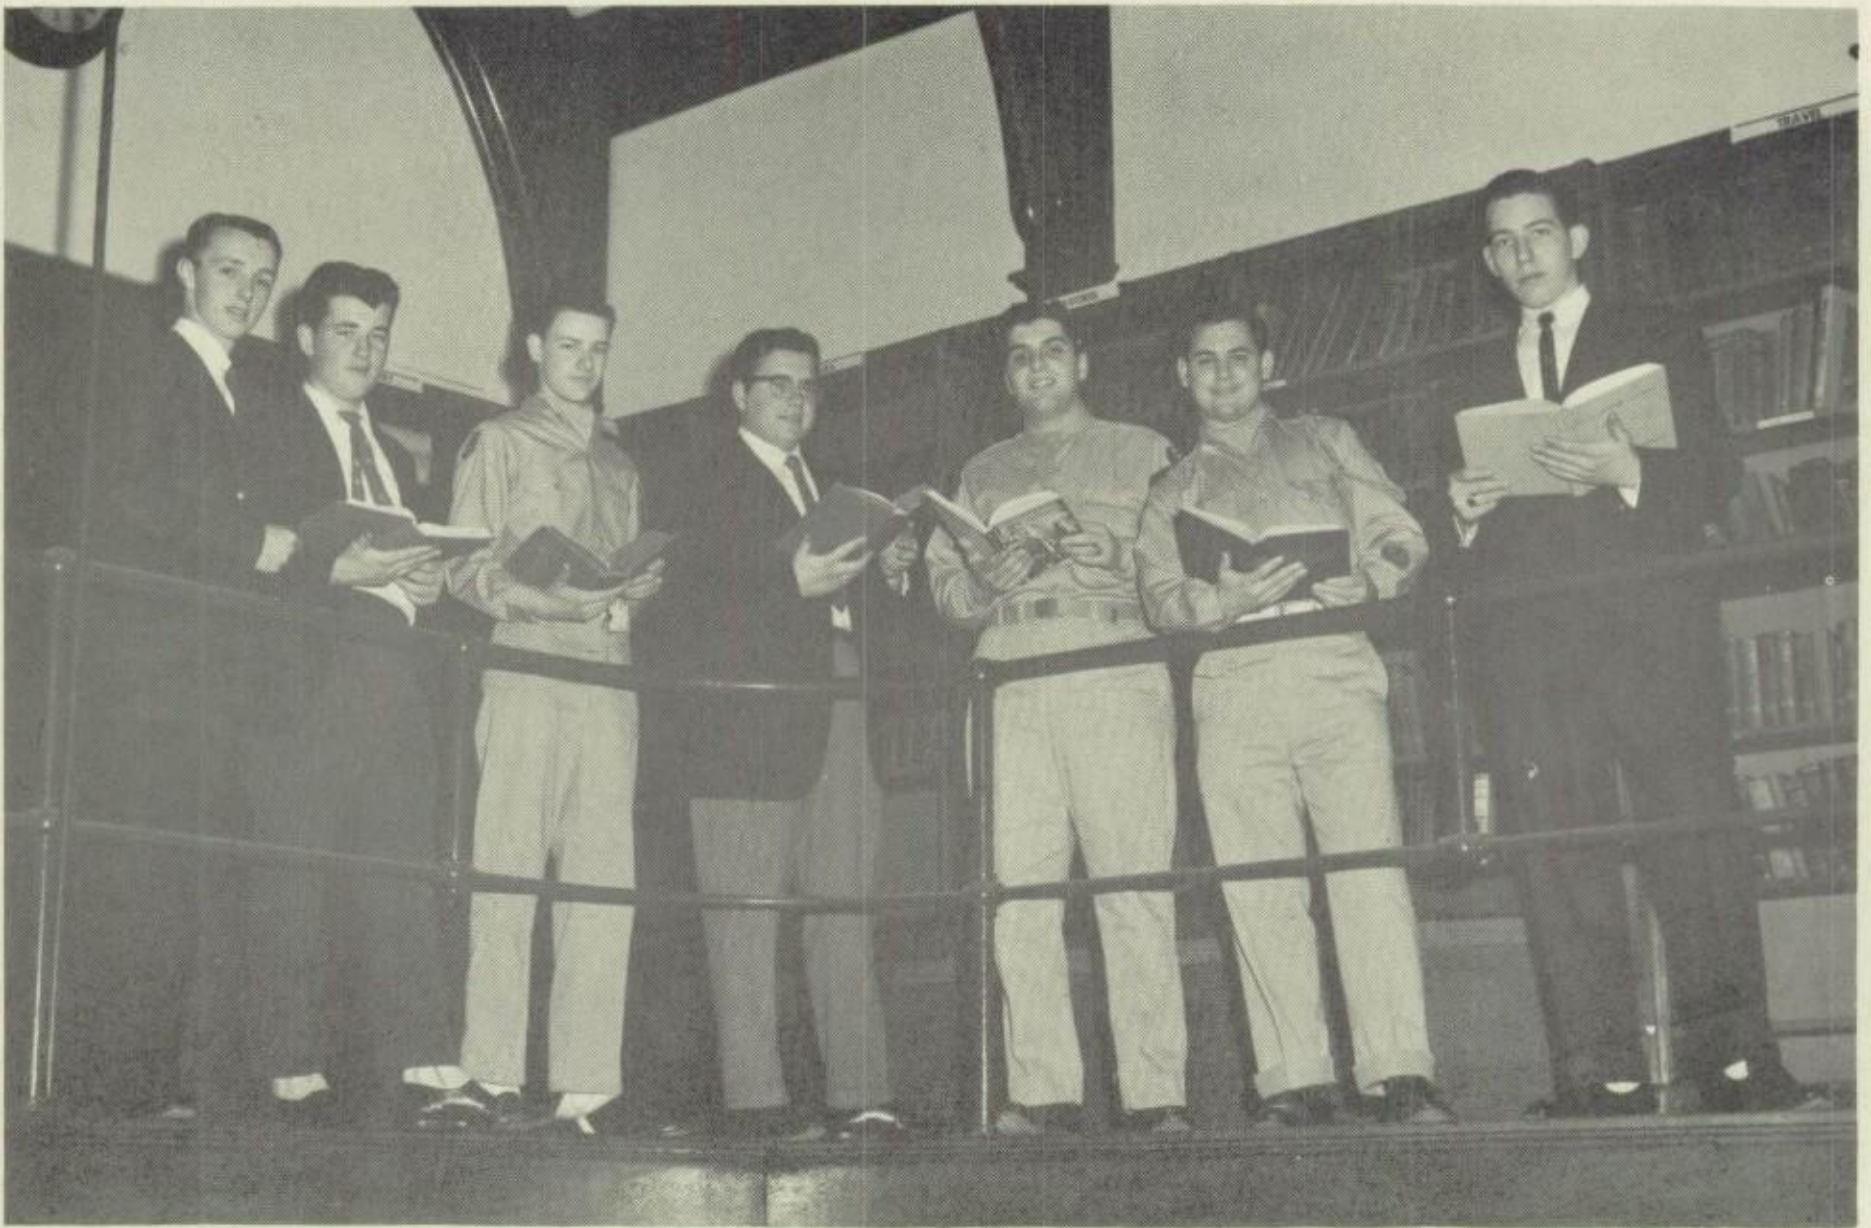

The policy of accepting articles from the authors of the entire student body has produced agreeable results. This year's staff may be justifiably pleased with the outcome of their efforts. They extend their cordial best wishes to the staff of next year with the conviction that the Record will remain, as it is, one of the finest school magazines in the city.

Seated, front row, (l. to r.): John McLennan, Walter Salvi, Eric Loth, Editor, Mr. Heins, Jerrold Wishnow.

Standing (l. to r.): Francis McCarthy, Randall Webb, Michael Mendelsohn, Mark Alpert, Richard Elia, Edward Jameson, Robert O'Keefe, Michael Tobin.

Clubs

SENIOR ROOM COUNCILORS

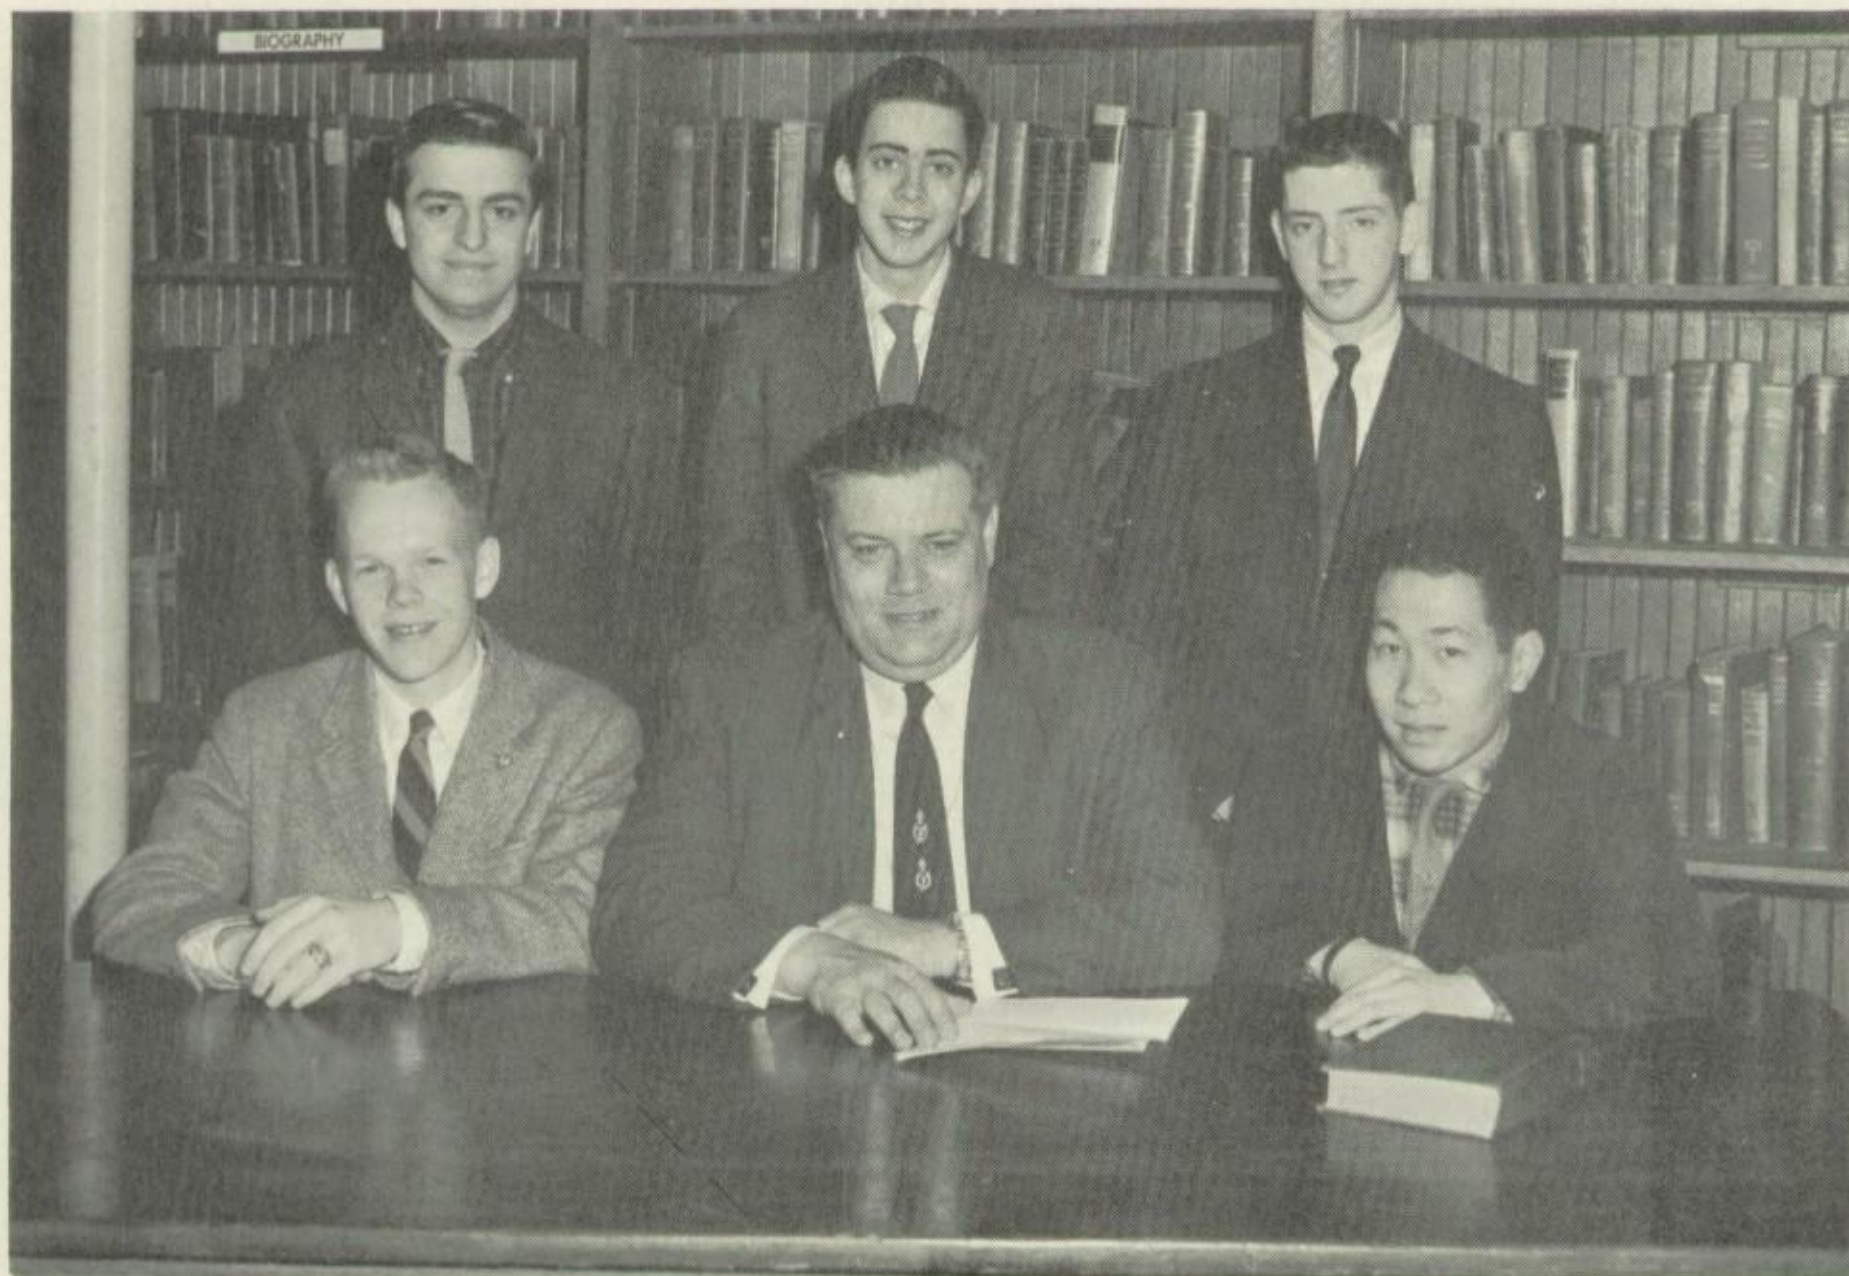

This year the English High School Council celebrates its forty-third anniversary of dedicated service to the school. This institution, founded in 1917, is perhaps one of the oldest and most distinguished high school organizations in the country.

The council consists of forty-five members, each home room having one representative elected by the students. The meetings are held weekly in the Assembly Hall under the guidance of Mr. Mosher.

We deem it necessary to mention that the faculty and Mr. Malone have contributed to the effectiveness of our council, and with their timely assistance we have succeeded whereas we might have failed.

OFFICERS

President — Eric B. Loth Secretary — Barry N. Jaye Treasurer — Michael S. Wong

*Seated (l. to r.): Eric B. Loth, Mr. Mosher, Michael Wong
Standing (l. to r.): Raymond Maloof, Barry Jaye, Edward Smith*

DISCUSSION CLUB

OFFICERS

President Alfred Fisher
Vice-President Robert Irvine
Secretary Gerard Cox

The Discussion Club started off the year 1959-1960 early in September. The first topic dealt with was "France as a World Power." That was one of many topics discussed during the current school year.

Ever since the Discussion Club began, some many years ago, it has provided an opportunity for all who were interested, to participate in every mentally stimulating discussions. Not only do you receive an opportunity to express your opinions regarding a certain topic, but you receive a chance to learn something about carrying on organized discussions.

THE FORUM CLUB

The Forum Club is an organization which presents student panels at assemblies. The panel's discussions focus attention on important topics of current interest. Individual research and weekly meetings aid in preparation for the assembly, which is conducted by a student moderator. Also, the Forum Club has the honor of supplying speakers for school functions.

This year, as in the past, the members of the Forum Club conducted an active and varied program of intramural programs. At the first forum, which was held in December, the topic discussed was "Should professional baseball come under the Federal Anti-Trust Laws?" In January, the members of the club discussed, "What can we do to curb Juvenile Delinquency?" "What should the government's role be in labor management disputes in industry?" and "Should Massachusetts have a sales tax?" were the topics in February and March, respectively. These forums not only provided valuable public speaking experience for the participants, but also enabled the student body to gain a better understanding of the issues discussed. The Forum Club under the direction of Mr. Sallen, has enjoyed a very successful season.

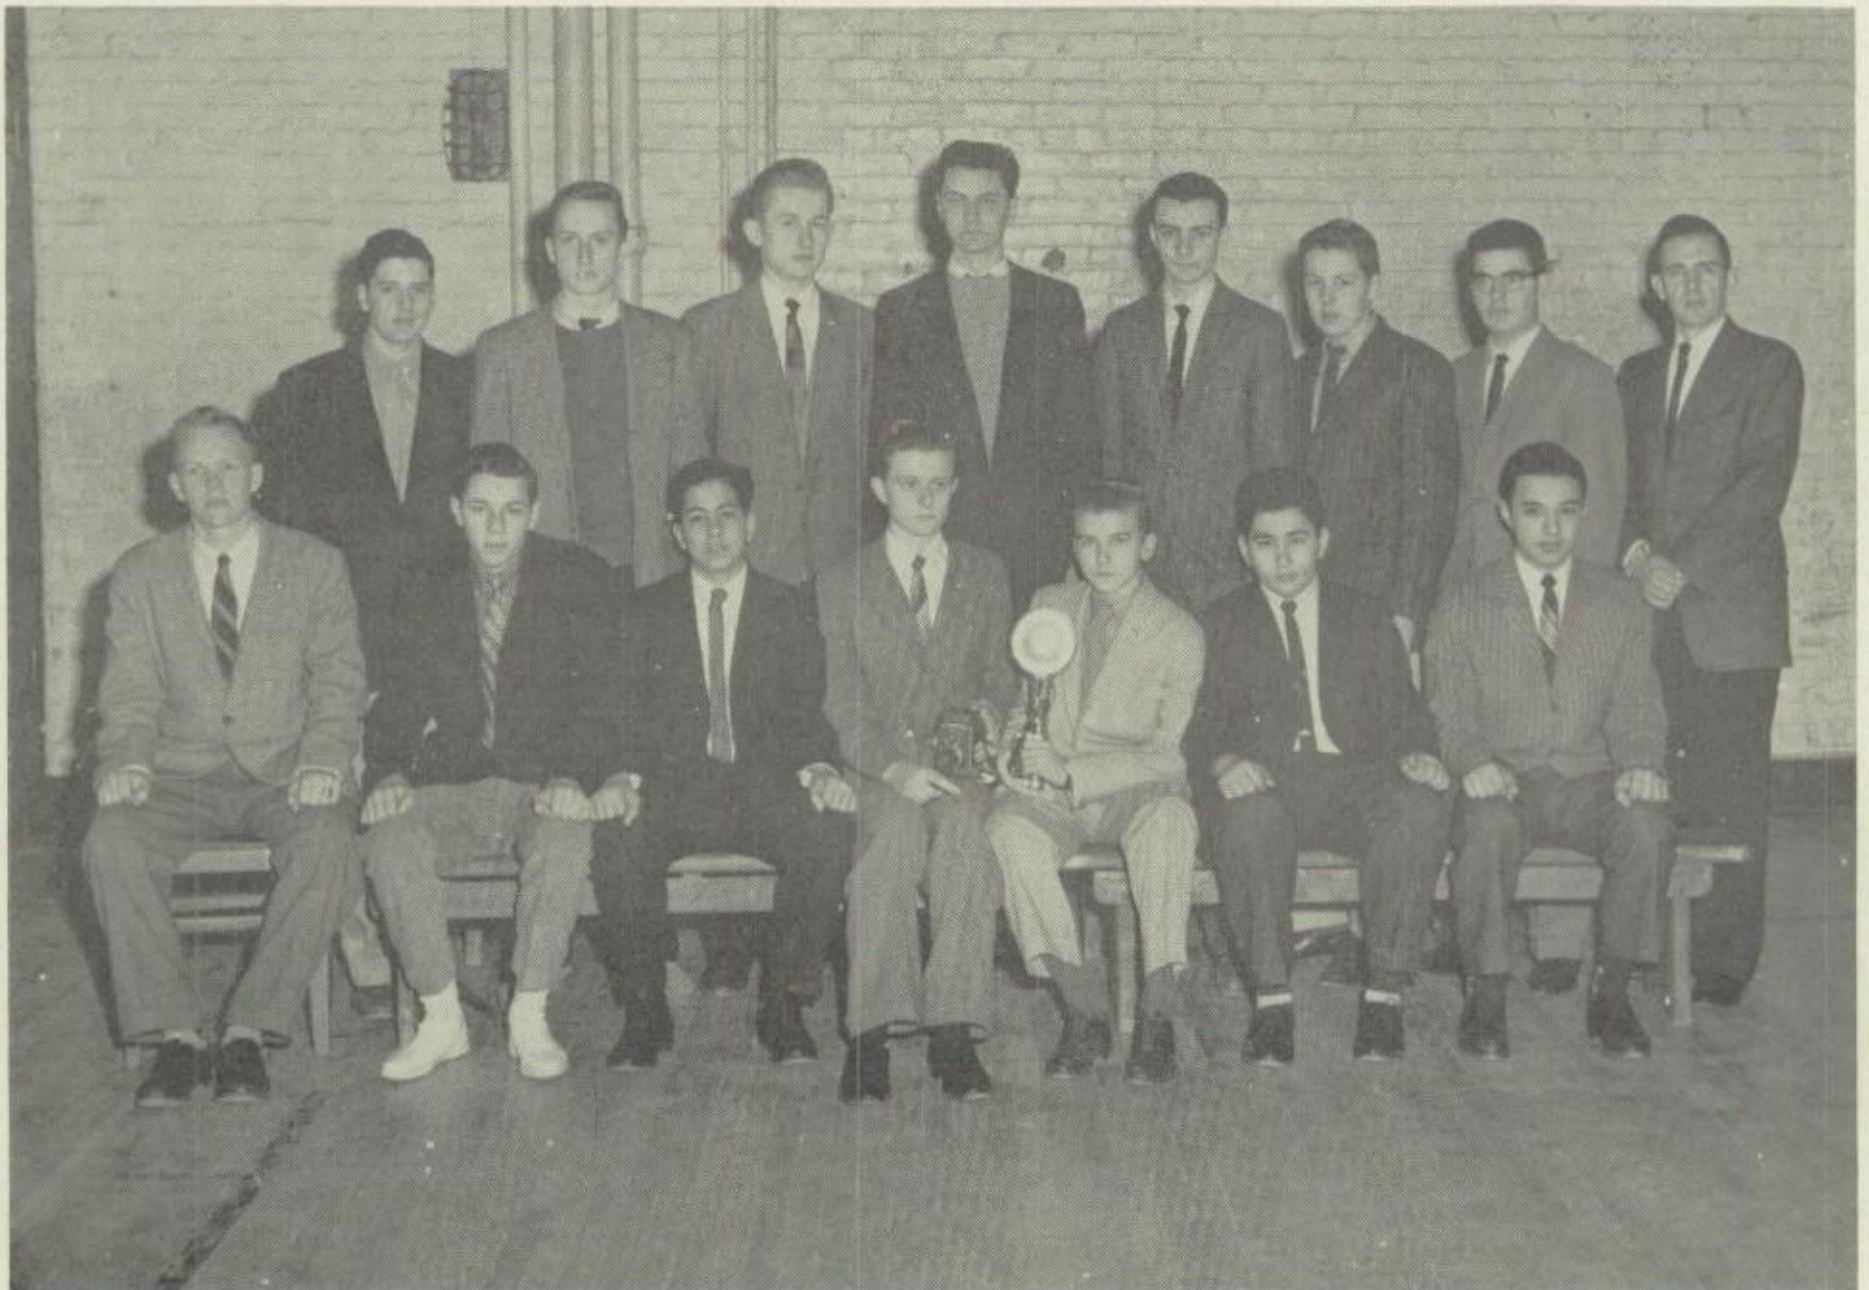

CAMERA CLUB

The English High School Camera Club was reorganized this year under the guidance of Mr. O'Neil. The purposes of the club are three-fold. First, to increase the quality of picture taking through better composition and lighting; second, to promote greater interest in the art of photography; and third, to familiarize members with darkrooms and darkroom procedures in the developing and printing of pictures.

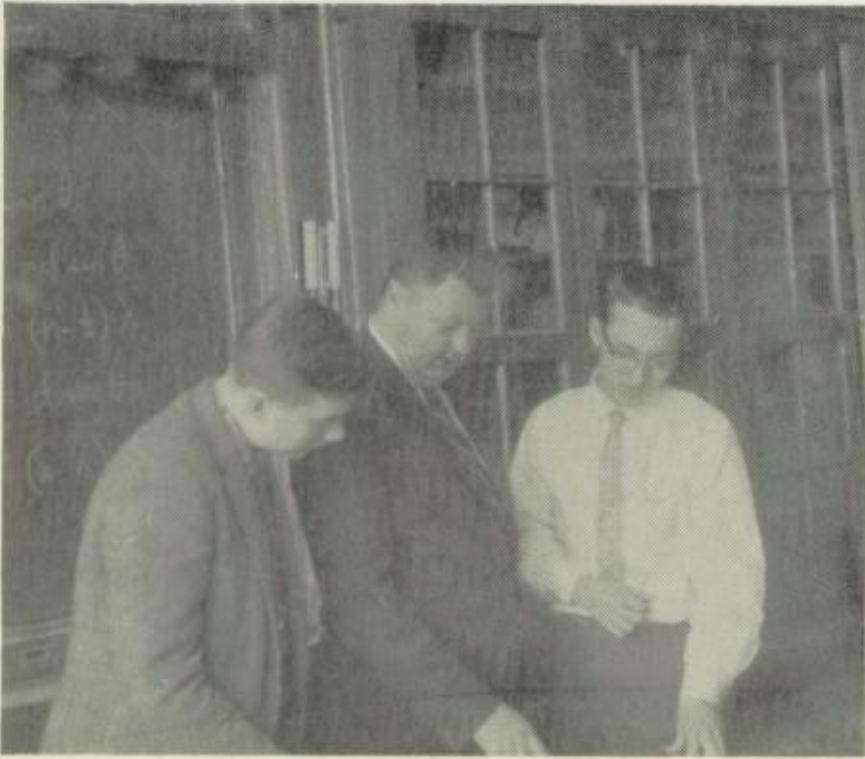

During the year talks have been presented by the members of the club. Lectures relating to the shooting, developing and printing of photographs have been offered.

We wish to express our sincere thanks to Mr. O'Neil and the members of the club for promoting interest in this worthwhile field.

SCIENCE CLUB

President Edward Jameson
Vice-President Henry Russell
Secretary-Treasurer Harvey Rain
Program Committee George Davis
Richard Palmieri
Robert Powers
Gary Shostak
Robert White

The Science Club has enjoyed a highly successful year. The purpose of the Science Club is to act as a clearing house for the questions of its members, to inform the members of recent scientific advances, and to promote participation in the city and state science fairs.

The club owes much of its success to the constructive advice and wise counsel of Mr. Gustus, the faculty adviser, and to its able officers.

THE CHEMICAL SOCIETY

The English High School Chemical Society was inaugurated this fall under the able guidance of Mr. Rosenfield. The aim of the Society is to give students the opportunity to carry their studies beyond the scope of class work and to develop the members' chemical interests to the fullest possible capacity. The elected officers are: President Steven Marder and Secretary Martin Miller.

At the weekly meetings films are shown, members give informative talks on their projects on chemical studies, and speakers from nearby schools and chemical companies give interesting lectures on the various fields of chemistry. Among this year's guests were Doctor Erick of Boston University, who spoke on atomic structure, and Mr. Prater from Monsanto who showed a film on plastics after which a question and answer period was held.

GLEE CLUB

President Alfred Fisher

Vice-President David Carrey

The English High School Glee Club has established a new standard for choral groups at the high school level.

Under the able tutelage of Mr. Farmigietti, the Glee Club gave superb performances at the various school functions. The Glee Club's repertoire was enlarged to contain such favorites as "There is Nothing Like a Dame," "Keep on Hopin'," and "You'll Never Walk Alone."

PATROLS

The English High School is proud of the fact that we have the best equipped library in the Boston School Department. Our library contains over five thousand volumes covering many different and diversified fields. In addition, the library contains over five hundred general reference books covering every imaginable subject available for the use of the students and teachers.

During the average school week over six hundred students use the library facilities and Miss Irene E. Kelly, librarian, has turned many boys away due to the lack of room. Miss Kelly is assisted in her work by an efficient library corps made up of boys who have commendable scholarship marks and high personality marks. These boys are selected by the librarian after recommendation by their instructors.

The school is grateful for the efforts which these boys expend on behalf of their school.

LIBRARY

ALUMNI

The English High School Association, an incorporated society of alumni, was founded in 1853, with stated object of promoting the prosperity and usefulness of the English High School of Boston:

First, by fostering and increasing, in such ways, the interests natural to all graduates in this, generally their last, home or school life.

Second, by increasing, in such ways as may from time to time be deemed expedient, the facilities of the school for affording a thorough commercial and general education to the youth of the city.

Third, by rendering such aid, financial or otherwise, to the pupils of the school, or graduates, as their circumstances may require; and

Fourth, by promoting and preserving acquaintances and friendship between those who have been associated as pupils and teachers of the school.

To promote these aims, the association has presented to the school valuable works of art: has raised a fund the income of which is to be used in aid of deserving pupils; has founded scholarships which are awarded at the annual graduating exercises to boys who have won them competitively on the basis of sound character and high scholarships.

HOME and SCHOOL ASSOCIATION

The English High School Home and School Association is one of 104 local Home and School Associations now functioning throughout the city. It is an organization of parents, guardians and teachers of pupils attending the English High School. Its purpose is to foster closer understanding and co-operation between the home and the school to promote the best interest of the child.

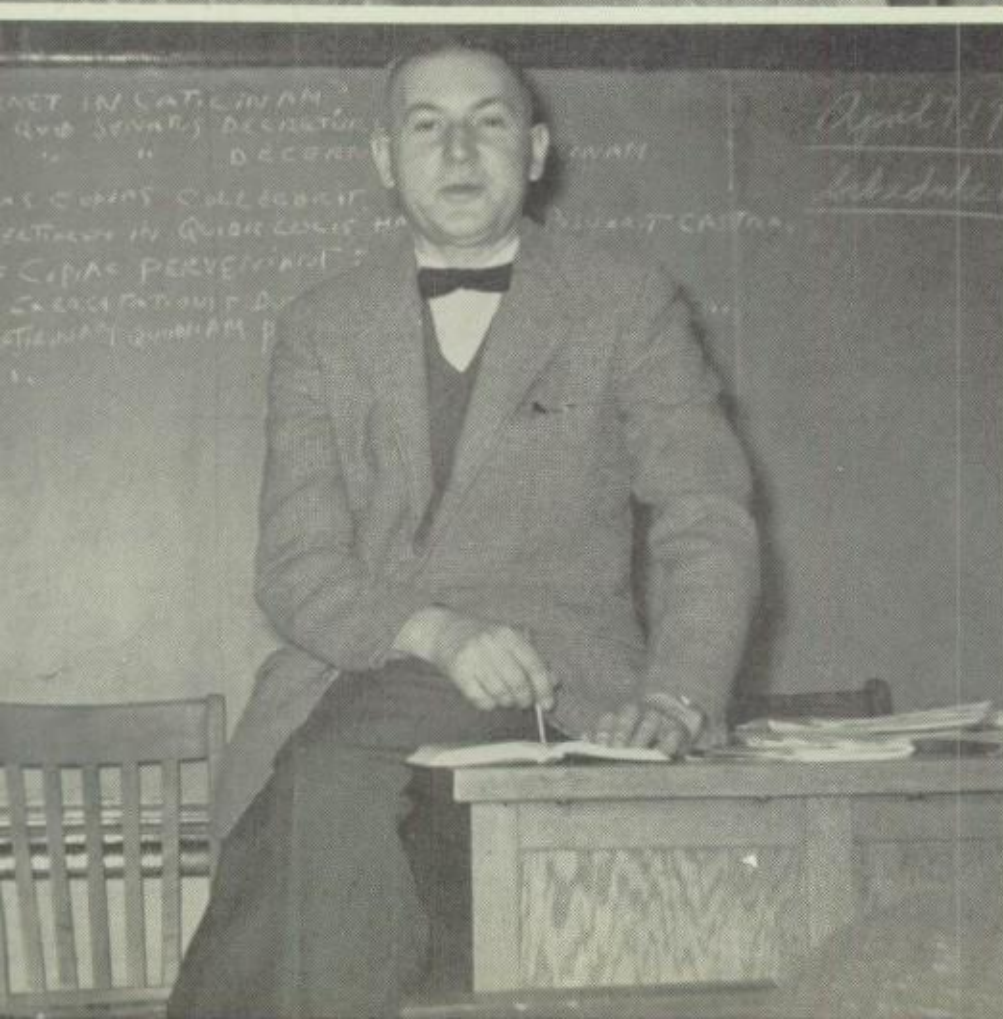

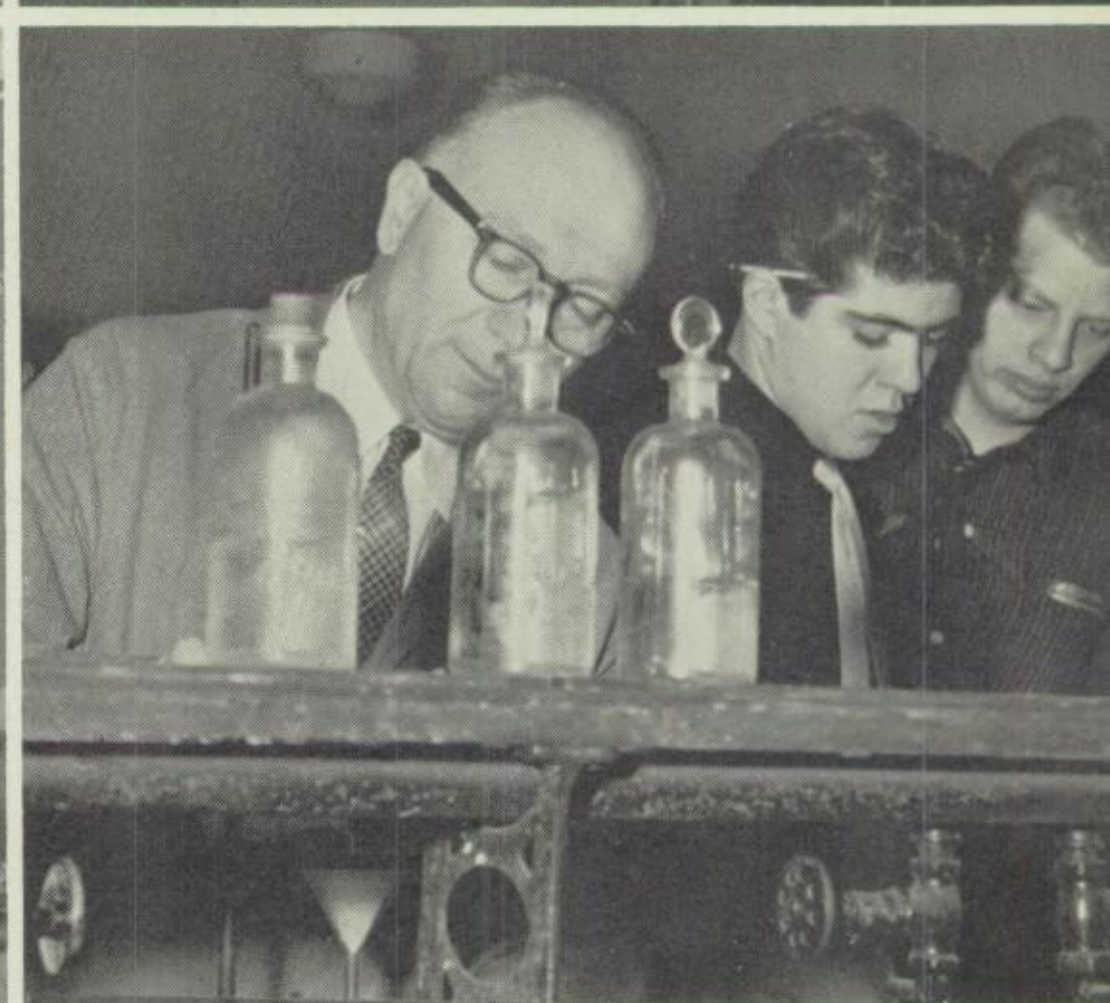

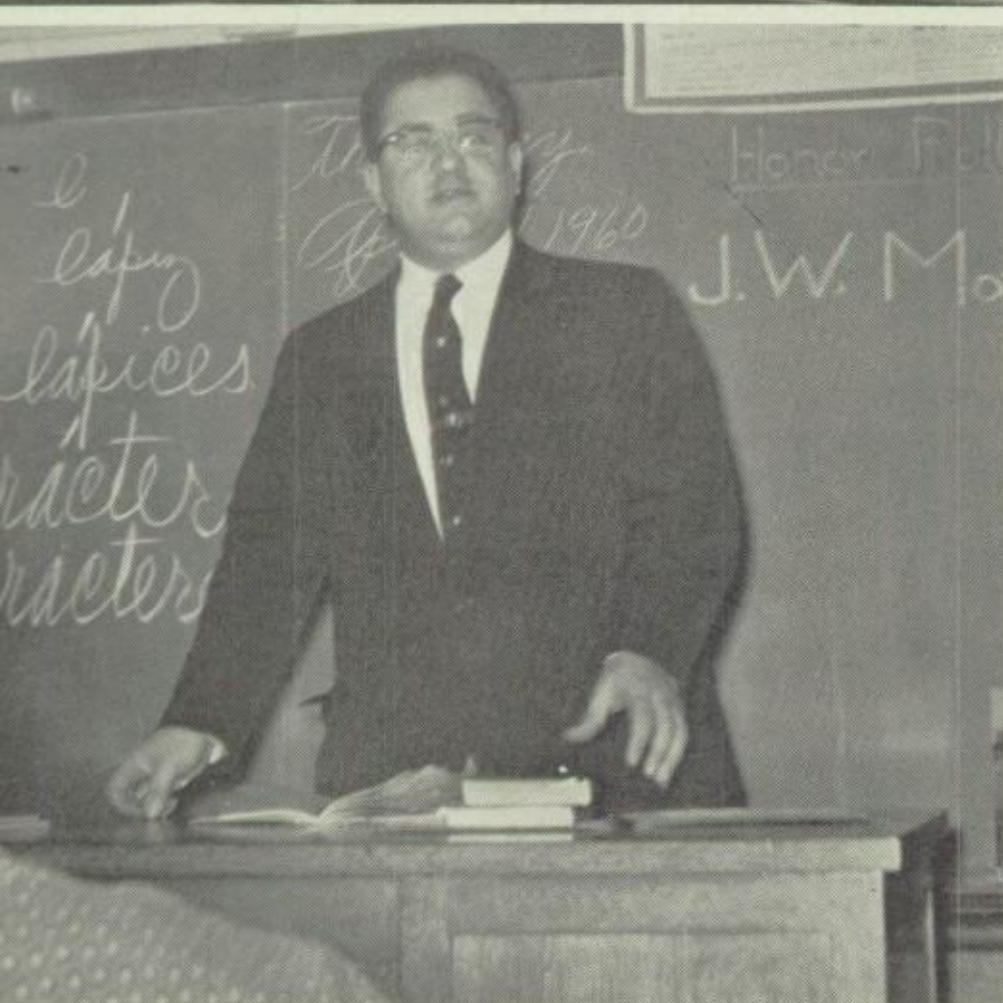

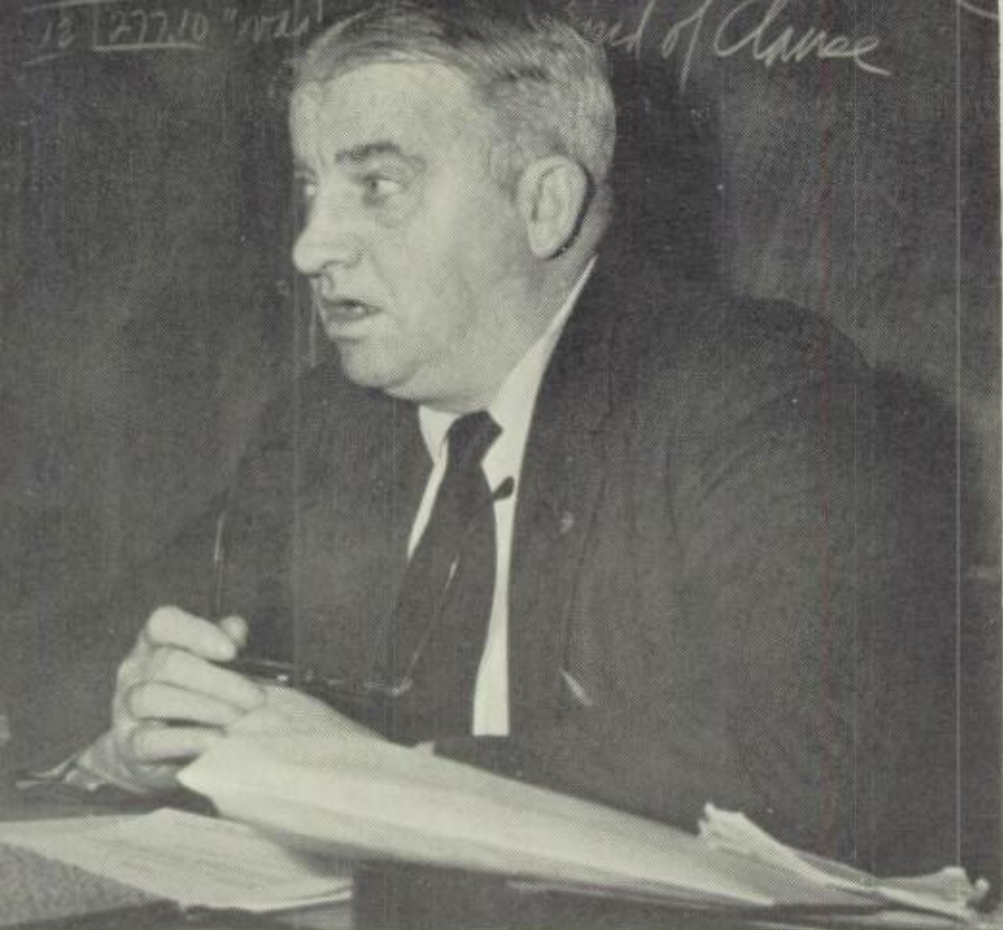

Meetings are held throughout the year, usually during the school day, at which time the work of the pupils under classroom conditions may be observed.

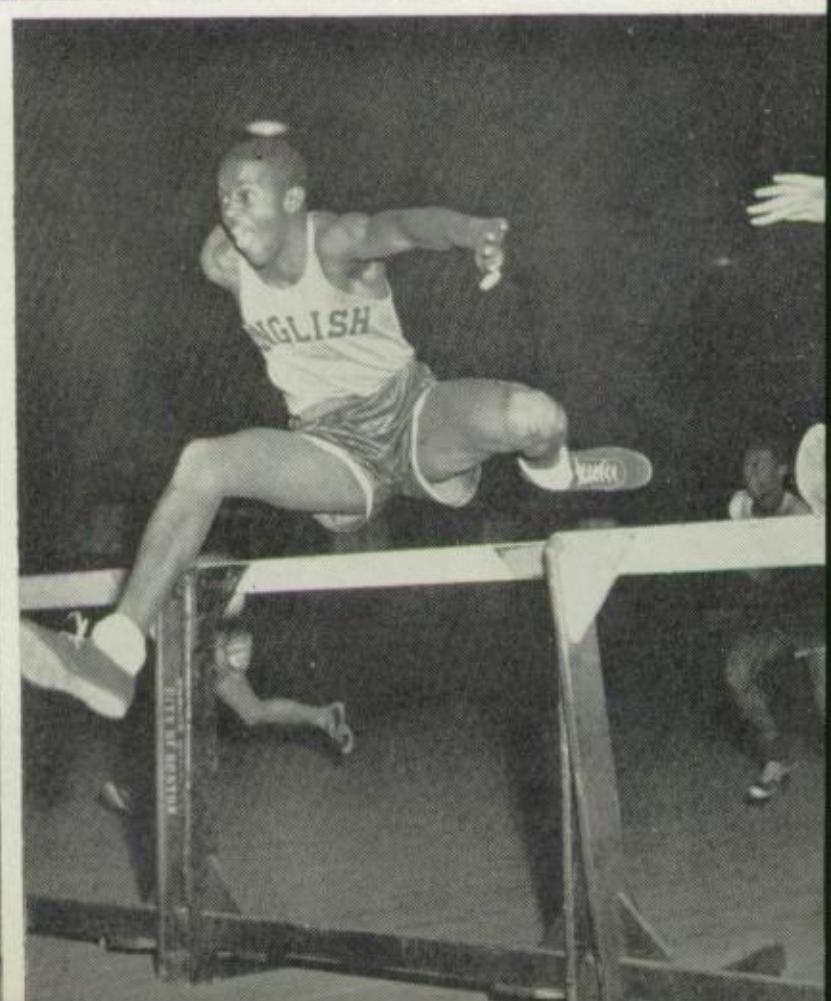

This year the association has done much for increasing the number of scholarships which are awarded at graduation to deserving students. For this we wish to extend our sincerest thanks.

THE ENGLISH HIGH SCHOOL VARSITY FOOTBALL SQUAD OF 1959

Front Row, left to right: Randy Benn, Charlie Flynn, Steve Marder, Bob Bouyer, Joe Bruno, Ted Larsen, Tony Lovuolo, Jack Lehman, Clem Carey, Marty Coleman.

Second Row, left to right: Head Coach William J. Stewart, Jr., '37; Dave Ryan, Frank Sgarano, Bill Donahue, Carmen Simonelli, John Johannsen, Frank Comerford, Dennis Donoghue, Dick Lane, Assistant Coach Joseph King, '40.

Third Row, left to right: Headmaster Joseph Malone, Vic Bynoe, Marty Rubin, Bob Coefield, Jim Bruno, Joe Ryan, Tom Kelley, Ronn'e Areglado, Assistant Coach Frederick J. Gillis, Jr., '41.

Last Row: Manager Jack Hogan, '60; Don Potts, Bob Sinkus, John George, Richard Heap, Jerry Riordan, Paul McCabe, Bob Rooney, Assistant Coach William Korey.

The English High team started the season with a solid line, and a speedy backfield, with hopes of another fine team. At Quarterback was Jack Lehman who returned with a year's experience behind him. Leading the team was Captain Joe Bruno.

The season officially opened with an encounter with Technical High. The touchdowns scored were by Tom Kelly, Tony LoVuolo, and Randy Benn. Tech scored her only point at the end of the fourth quarter.

The second game opened against Dorchester. The first touchdown was made as Lehmann hit Rooney with a pass for 40 yards and a score. These were quickly followed by further touchdowns made by Charlie Flynn and Clem Carey. Bill Donahue ran 65 yards at the end of the half. The final score was 26-6 in favor of the Blue and Blue.

English now met B. C. High with a strong improvement in the team. In the second period Randy Benn went 30 yards for a pass, and gave English

the lead which the team kept all through the game. The team showed good form and completely swamped the Blue and Gold, with a final score of 36-0.

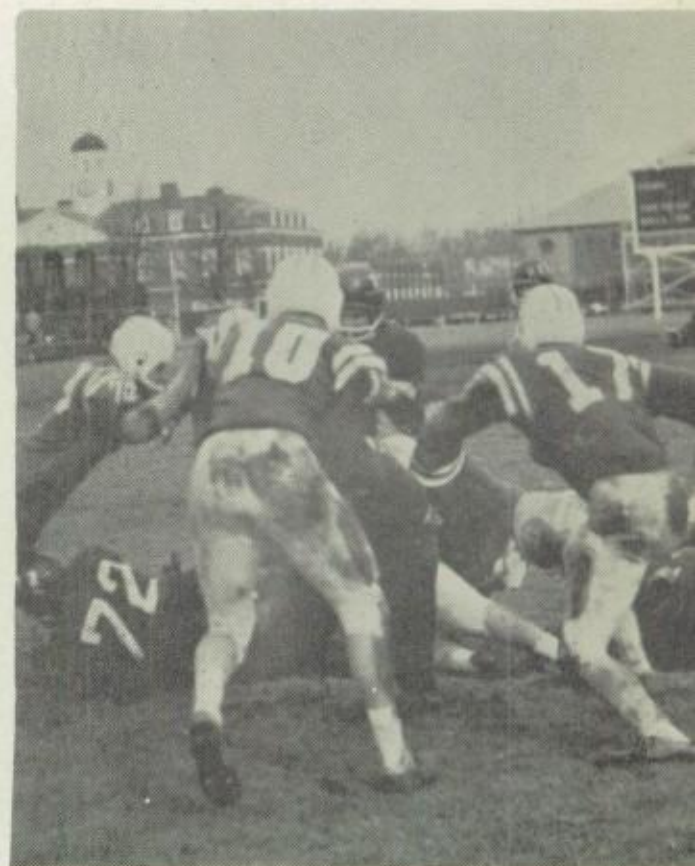

English won the toss from Technical and elected to receive. The main points in the game were made by Lehmann and LoVuolo. Also aiding in piling up the T.D.s were Tom Kelly, Clem Carey and Ronnie Areglado. Final score: English 29, Technical 0.

Trade won the toss and elected to receive. In the first few minutes of play Bob Rooney grabbed a Trade pass and carried the ball to the 35-yard line. Lehmann drew attention on a fake play, and Clem Carey made the score. Kelly put in the last touch-

down and these together with those scored by Lehmann and Carey made the score 22-14 in the Blue and Blue's favor.

Again English lost the toss. Ronnie Areglado let fly and started off the game in great form. Jack Lehmann took command as he scampered 20 yards to make the score 6-0. At the end of the second period the score was 20-0.

B. C. High came back in the third period full of fight and made their first touchdown. In the fourth period the Maroon and Gold tried to even the score, adding another touchdown, but this was their last. Final score: B. C. H. 12, E. H. S. 28.

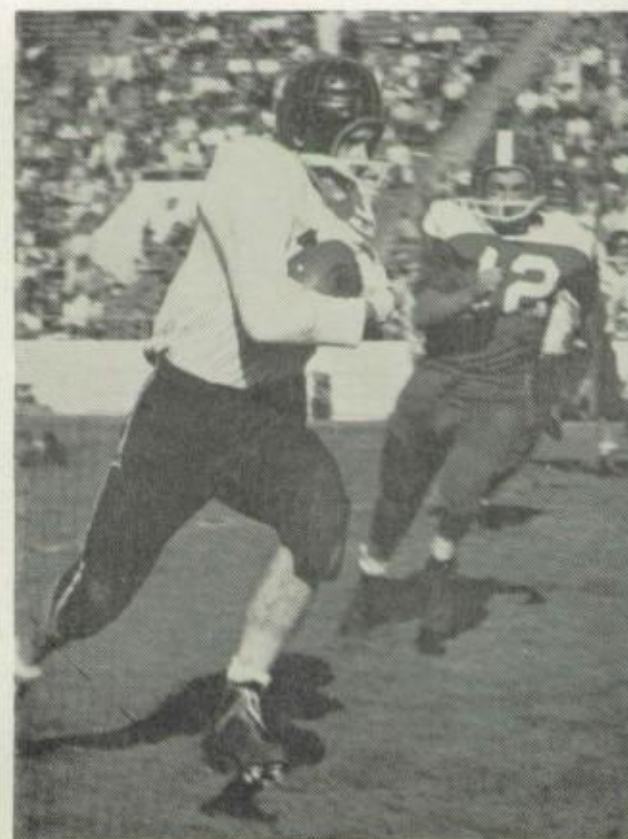

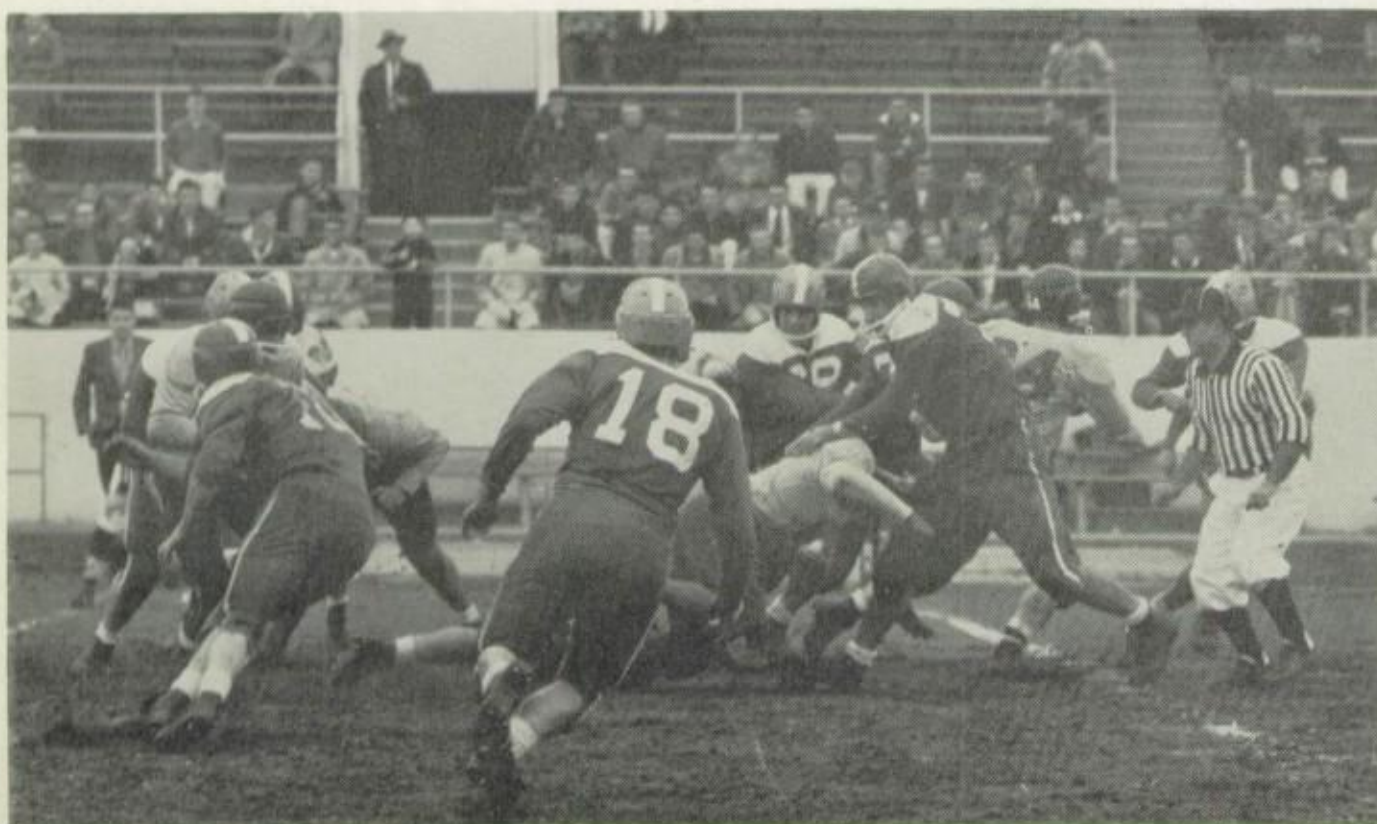

ENGLISH AND GROTON

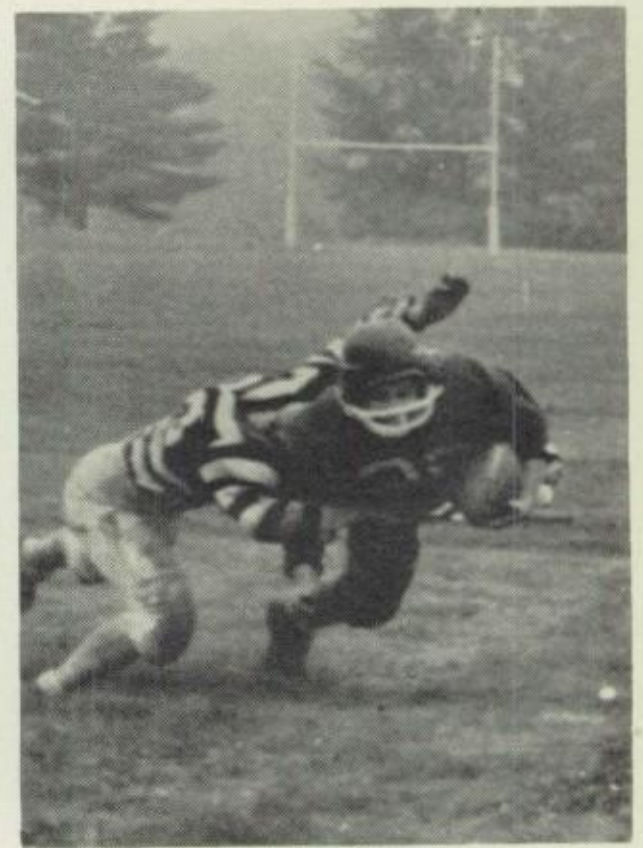

English High won the toss and elected to receive. For the first two periods neither team could find their way to the sturdy uprights. Their respective attacks were bogged down by the fighting spirit of both football teams. At the start of the third period a Lehmann to Rooney hand-off aided by LoVoulo's blocking proved too much for the Groton Eleven and added six points for the E. H. S. The rest of the period was again a hard fought deadlock. Groton School brought the ball to the E. H. S. 25, but the attempted touchdown was halted by the strong line led by Bruno, Flynn and Coleman. Groton was

forced to punt. Rooney then returned the punt 65 yards for English's second and final tally. The team hustled all the way and despite the effort of the Groton squad, started off the season with a well earned victory.

ENGLISH VERSUS LATIN

The 73rd Annual Classic of the football rivalry in the nation was played before a packed house at Harvard Stadium on Thanksgiving Day. The starting eleven were: Steve Marder, Tony LoVoulo,

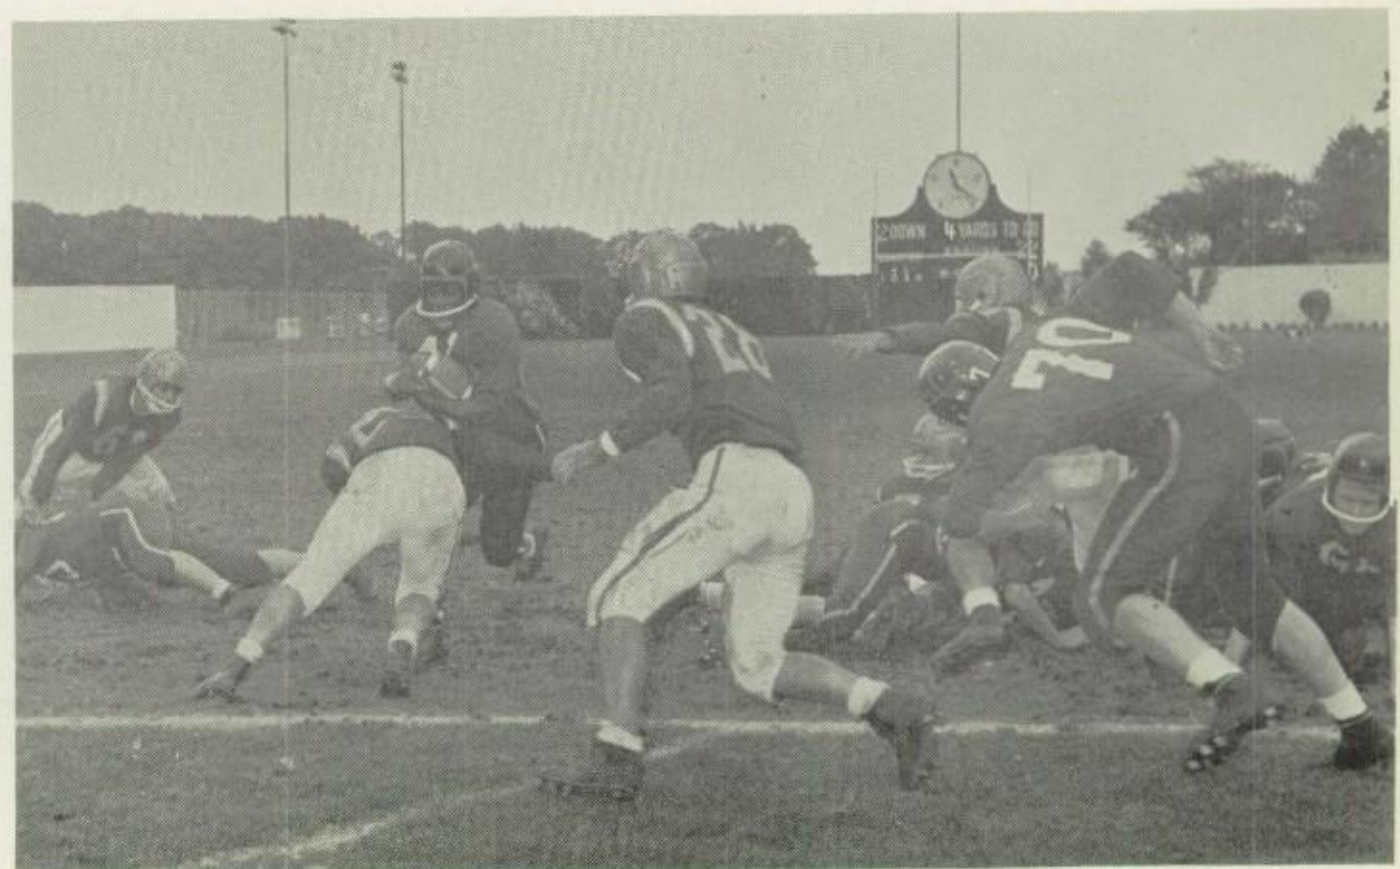

Joe Bruno, Bob Bouyer, Marty Coleman, Ted Larsen, Charlie Flynn, Jack Lehmann, Randy Benn, Tom Kelly and Clem Carey. This game was to decide the city championship.

At the end of the first half the score was 8-0 in favor of Latin. The fiery Blue and Blue, at the beginning of the third period, capitalized on the Latin mistakes. The first English touchdown was scored by Clem Carey as he plunged over from the six-yard line. The vital extra point failed as a Lehmann to LoVuolo pass was blocked. In the final period of the game it was mostly in favor of Latin as English penalties and weak plays hurt the Blue

and Blue's offenses.

This game proved to be the worst game of the season for English and stopped their winning at seven straight for the season. Even though the team lost they kept fighting with the Blue and Blue spirit.

Congratulations to Coach Stewart and his assistants, Fred Gillis and Joe King, who did fine work in getting together a fine team. Also, congratulations to the team for their fine sportsmanship, conduct and for their fine play for the entire season.

CROSS COUNTRY

This year's cross country team practice starts about the third week in September. In the pre-season trials Jackie Cooper and Mark Mulkerin led the Blue and Blue harriers over the two and one-half mile course. Although no actual scoring was made, Technical and Latin appeared to be strong competition for our team.

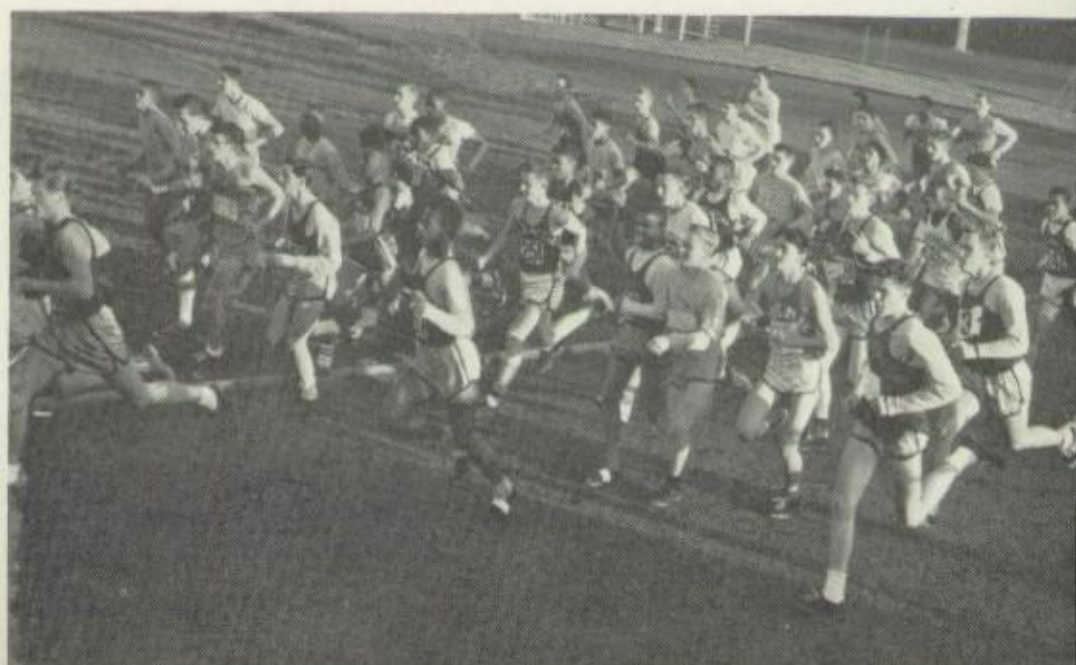

The season officially opened on the first of October as English met New Bedford and Technical High. Despite the fine performances by the team, the Blue and Blue had to settle for second place behind a strong New Bedford team. During the following weeks English strived to better the team, but the team was cut in strength because of injuries to our key runners. However, the Blue and Blue bounced back to place second to Technical in the City Meet.

The climax of the season was the Regimental Meet. This race was the last opportunity for the boys to crack the course in the time of sixteen minutes. The last meet held was the States Meet which was held on the Franklin Park Golf Course. Teams from all over the state sent their top runners to compete in the three classes. The Blue and Blue finished eighth in a field of eighteen, and the only other city team to top us was Technical High.

Although the team had a losing season, the boys manifested those characteristics of good sportsmanship that are the trademarks of every English High School athletic team. This season the team was ably captained by Bill Theos with the aid of Jackie Cooper and Mark Mulkerin. These boys provided the inspirational leadership which every team needs.

INDOOR TRACK

The 1960 edition of the English High School track team, under the careful supervision of Mr. Ronan, was one of the finest in the past decade. By winning the B. A. A. Meet and coming in second in the State Meet, the team brought back many honors lost in the past.

In city competition the Blue and Blue lost one meet, the City Meet to Tech. However, this loss was soon forgotten when the English speedsters captured the "Reggie crown," by an overwhelming thirty points.

Standout performances were put on this year by Ted Turner: 1st in the State Meet and 2nd in the B. A. A. Meet hurdles, Les Lewis 4th in the State Meet hurdles, Heywood Jones 4th in the National hurdles, Bob Bouyer 1st in the B. A. A. Meet, 2nd in the State Meet and record breaker in the "Reggie" shut put, Marc Mulkerin 2nd in the State Meet 1000-yard run, Jim Dilday 4th in the B. A. A. Meet high jump, Jackie Cooper 3rd in the B. A. A. Meet 600-yard run, Don Potts 5th in the B. A. A. and State Meet dashes, and the relay team composed of Don Potts, Bob Rooney, Ted Turner and Jackie Cooper.

Midget Relay Team

HOCKEY

After a successful 1959 season, English was looking forward to another fine year. However, the season had no sooner started when we realized that we had lost most of our letter men, including both co-captains. Although our progress was slow in the beginning, we constantly improved during the season.

In our first game we were defeated by a newcomer to the league, Boston College High School. B. C. High was taking the place in the league of the now defunct Roxbury Memorial High School. The only score made, was by Joe Gillen, who received a pass from Dick Elia.

The second encounter was one we are willing to forget. Against a strong Tech team, Joe Kelly netted his goal of the season, with assists from Ron Condon and Jim Larkin.

English finally broke their losing streak, by tying the score with Trade. English played possessive hockey but two quick breaks in the first and third periods tied the game for Trade. English goals

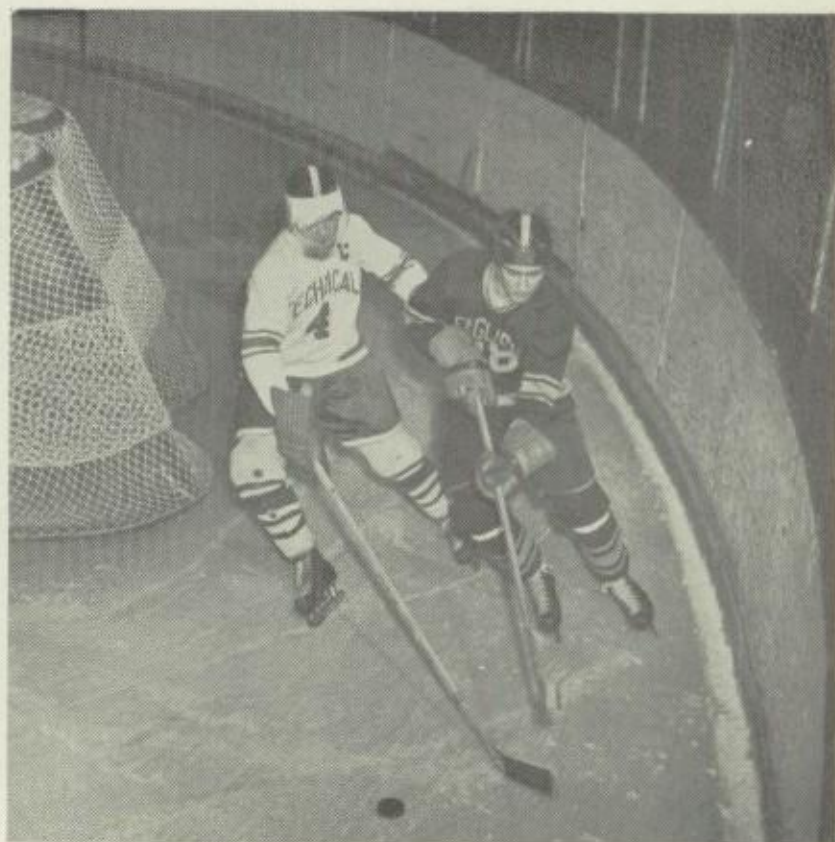

were scored by Kelly and Larkin, with assists from Condon and Joe Gillen.

The Blue and Blue finally broke into the winners column by scoring a decisive victory over Dorchester. Goals were by Gillen, Larkin, Kelly and Condon, with assists going to Phil McMann.

In our next games with B. C. High, we again fell short of reaching victory. Although, a newcomer to the league, this school was not to be underestimated.

The remaining games that were played with Technical, proved to be victories for the Blue and

Blue team, as did the remaining games that were played with Trade.

The final game of the season proved to be the biggest feather in our cap with a 3 to 2 victory over our rival, Latin. It was one of the hardest fought games we had played all year and the win put us in third place. We jumped right on them in the first period on the pass play from Larsen to Elia, who sent it to Gillen for the goal. In the second period, Condon faked out the Latin defense for an unassisted goal. About a minute later Joe Gillen notched his twelfth goal of the year, only to have Latin come back with their first of the day. In the third period, Latin really put the pressure on us, as they tapped a screen shot by Bob Dugan. With four minutes remaining, our hustling center, Phil McMann was injured, but Crosson, Larsen, Gillen, Condon, and Elia refused to give up, and the double Blue came out on top.

Although the team played with varying success and the season was not one anticipated, the team displayed the traditional spirit of English High. The final victory over Latin School, accented this spirit and for this, the school is proud of them.

BASKETBALL

Front row (l. to r.): John C. Lenhardt, Terence Flaherty, Charles W. Kelsey, Anthony J. LoVuolo (Co-Capt.), John J. McGloin (Co-Capt.), Bernard Snyder, Donald Cotter, William Rooney, Paul Costello.

Rear row (l. to r.): Coach Gillis, Frederick S. Prifty, Robert Siegal, Paul Johnson, Matthew Krajewski, Daniel MacLean, Paul Tosi, Philip Kachinsky, Edward McFadd (Mgr.).

Getting off to a flying start in league competition, English High practically ran B. C. High off the floor in defeating them by a score of 66-46. Tony LoVuolo and Jack McGloin turned in brilliant performances with LoVuolo netting 23 points and McGloin scoring 22 points. This was a very encouraging win and it showed that Coach Gillis had his men well-readied for the coming season.

In their second encounter of the season, the Blue and Blue lost to a very strong Trade team by a score of 68-55. English got off to a very slow start and were never ahead of the "Tradesmen." Most of the scoring was divided between Co-Captain LoVuolo, who tallied 20 points, and Co-Captain McGloin, who potted 16 for the losers.

After losing to Trade, the Double Blue Quintet came back to wallop Technical by a score of 72-32. From start to finish, English was in command. Tony LoVuolo topped all scores with 21 points. Jack McGloin for the victors!

The English High School basketball team got off to a flying start, which was to result in a 69-45 victory over Dot. LoVuolo, McGloin, and Buddy Costello along with the assistance of the rest of the squad, were responsible for the scoring.

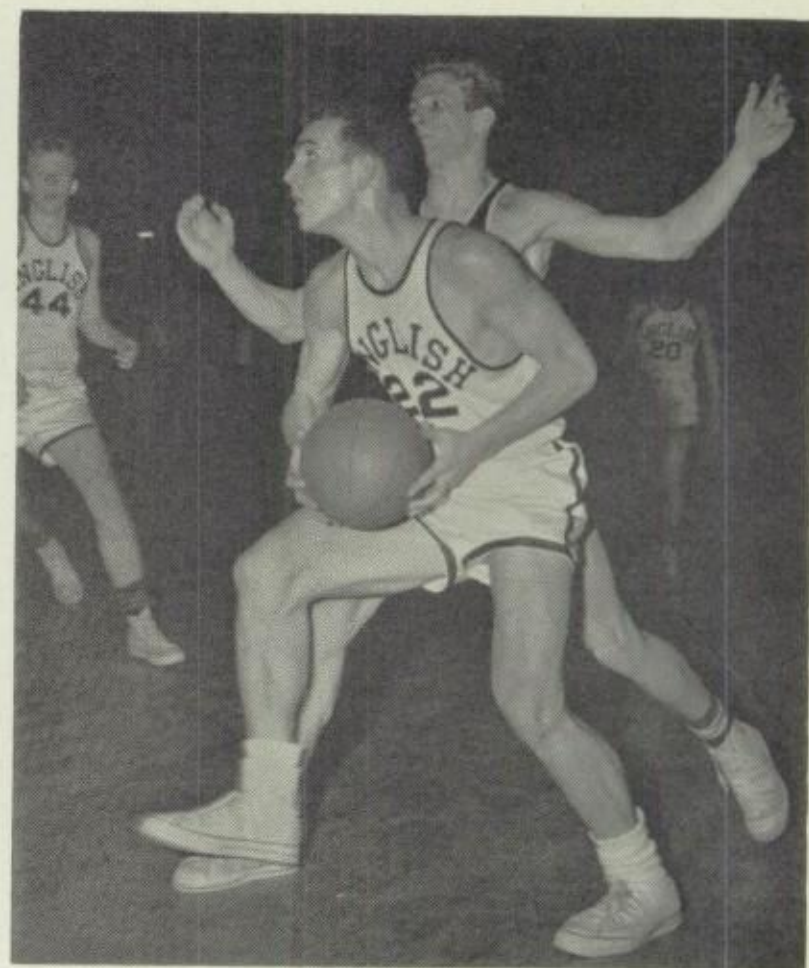

Jack McGloin with 24 points and LoVuolo with 20 points hoisted English High one step higher in the

route to a successful defense of the Boston City League title as the Blue and Blue downed the "Eaglets" 81 to 60 in their fifth encounter of the season. At the moment English was in first place tied with Latin.

In what may be classed as a real thriller, English High nipped Trade by a score of 70-64. English ran to a 46 to 28 lead, then took it a bit easy as the Tradesmen almost took command. Tony LoVuolo chipped in with 19 for the Blue, and Jack McGloin pitched in with 17. Bernie Snyder was also among the players hitting double figures with 14 points. It was altogether, a very enjoyable afternoon.

A very inspired Dorchester High five came to the hostile English gymnasium and whipped the double

Blue by a score of 59-54. Until half-time, English maintained a 33-37 edge, but in the second half, a few of the Blue men fouled out of the game and that was it.

In their first encounter of the season, the Purple and White topped the Double Blue in a very exciting game. English was crushed in the third period by being unable to stem the tide of the Latin scores. Tony LoVuolo topped all scores with 22 points; while Bernie Snyder tallied for 15.

Returning to their winning way, English High really poured it on B. C. High beating them by a score of 73-45. Tony LoVuolo came on with his biggest game of the season hitting for 34 points. Jack McGloin had 24, while Bernie Snyder chipped in for 12.

Led by Tony LoVuolo, Jack McGloin, and Bernie Snyder, English was in command throughout the game. At intermission time the Double Blue held a 35-27 lead against Trade, and by the termination of the game they had built up a score of 50-43.

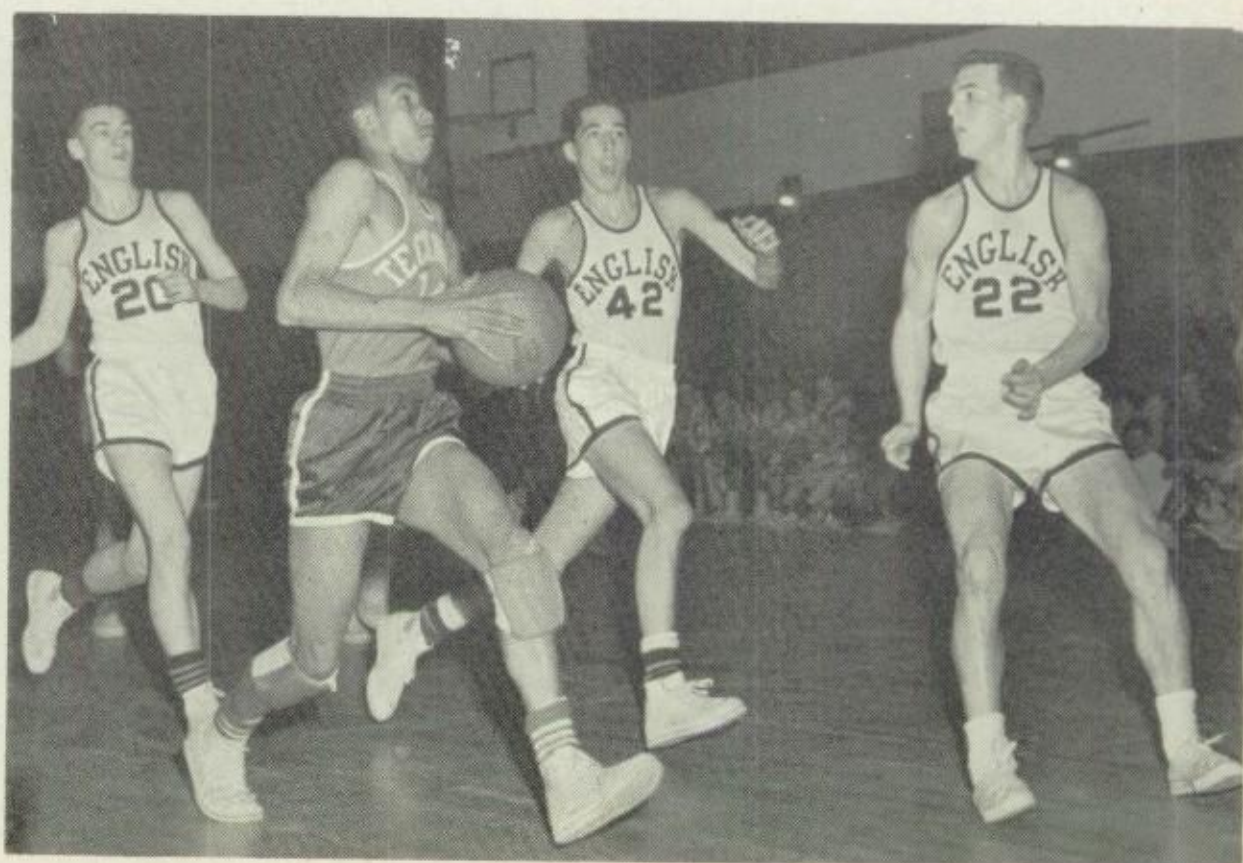

In an attempt to gain revenge from an earlier

season defeat, English swarmed and swamped the Dorchester five with an all-out defense. Don Cotter, playing a fine game tallied 7 points, Buddy Costello 3, and Bernie Snyder 9.

English displayed a sensational offense in defeating last place Technical by a score of 70 to 31. This was the game Coach Gillis was looking for as it enabled his charges to enter the Tech Tourney.

It seemed all English needed was to play on their home court to win against Latin. With friendly (??) crowd and familiar scenery, English beat Latin which put the lid on the regular schedule basketball season.

It was now time to play the game for which the entire schedule is played, the Tech Tourney game. English played a very fine game, despite losing to a more experienced New Bedford five by a 68 to 50 count. Even in defeat, one must say that English played a hard fought game and must be commended for their efforts.

SWIMMING TEAM

Rear row (l. to r.): Lionel Beane, Richard Barkhouse, Richard Morrell (Co-Capt), William Murphy, Peter Gillis (Co-Capt), Richard Bretagne, Coach Tarpey.
Front row (l. to r.): William Lagzdin, Joseph Foley, Albert Carlson, James Mellen.

Last year an English squad of seven boys finished a season of competitive swimming against prep schools and colleges with a four-four record. They also finished third out of a field of sixteen schools in the Mass. State High Swimming Championship held at the University of Mass. This year a similar team ended with six wins and one loss.

Of the most outstanding players of the English High team, were William Murphy, who broke the record for 100 butterfly with time of 1:02:9, Mike Morrell in the 200 individual medley with the time of 2:33:6, Joseph Foley in the 50 free in the time of 25.6, Richard Bretagne in the 100 backstroke with the time of 1:12.0, and Leonard Orton, who now holds the record in the Junior Varsity butterfly.

This year our team was able to break away from Latin, and compete on our own. Still we were too powerful for the Latin team, and competition against them was futile.

Our main competition arises with schools outside the school system. Some of the meets included:

Huntington Prep	32	English	54
M.I.T. Freshmen	41	English	44
Wellesley	26	English	59
Leominster	45	English	41
Brockton	41	English	45
Mission Hill	34	English	51

CREW

City Champions

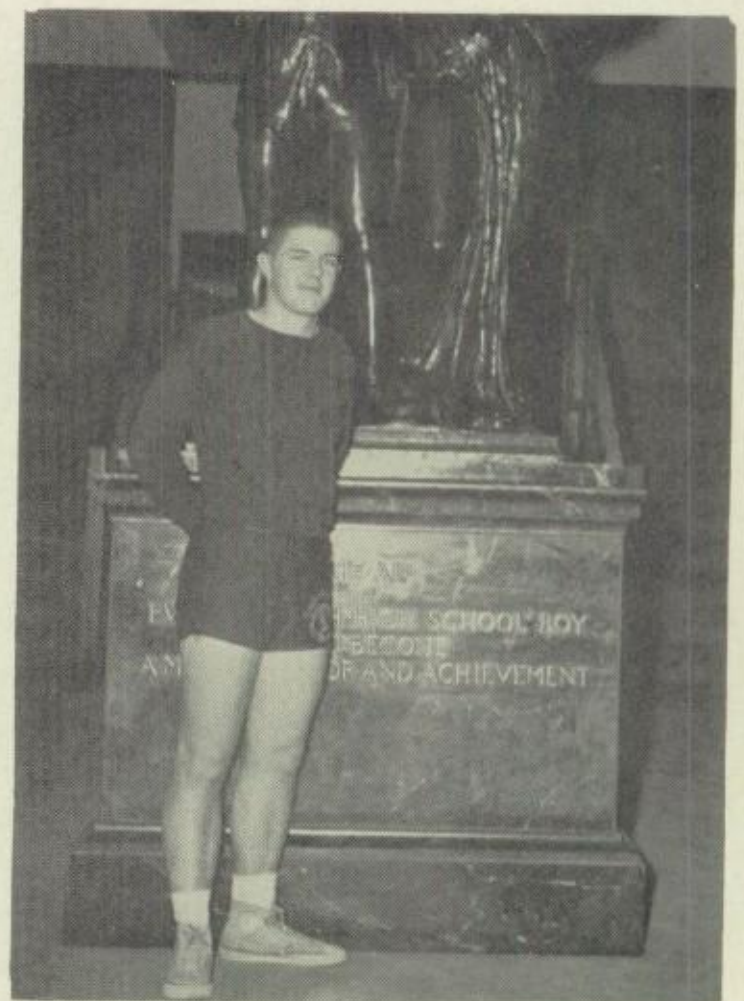

Although we lost our two strong oarsmen, Co-Captains Ernst and Killian, who rowed stroke and bow respectively, the old team is together again. Bill Villa has moved up to the important position of stroke and Ed McFadd has returned to his No. 2 spot. Bruce Fraleigh, Dave Pagington, and Paul Erlich are also on the team for their second year. Bob McLaughlin and Lynd Smith have both moved up from the J.V. Bill Carlow has made the team his first year out. Coxswain Dave Widders is still hanging on to the tiller.

THE FIRST RACE

With the undefeated season of last spring behind them, the oarsmen were ready and rarin to go. After two weeks of practice they entered upon the race against Latin, Tech, and Trade. It was perfect race weather except for a fog that was starting to come up the Charles. The whistle was blown by the starter and they were off — crack! powerful bowman Dick Goldstein's oar broke on his first stroke and we had only seven oars to our opponent's eight. We kept up with the strong Latin team all along the one mile course and in the last fifty yards the Blue and Blue pulled away and won by almost two boat lengths!

Third row: Carl Salvi, Ass't. Mgr., Don Cotter, Paul Costello, Bob Siegal, Bill McLean, Mike Gorman, Fred Prifty.

This season promised to be a highly successful one for the English High nine. Thanks to returning veterans and promising sophomores the Double Blue began the season with high hopes. These hopes were quickly fulfilled as the Blue and Blue rolled over a weak Trade club 9-1 in their first outing. Tech was the next club to fall victim to our stalwarts as the team battered Tech pitching for a 13-0 verdict. B. C. High, however, offered stiffer competition and it took some all-out play by our heroes to remain on the unbeaten trail with a hotly contested 10-7 win. Dot, Trade, and Tech were bested easily by our powerful nine and the club entered the traditional game with Latin riding a seven game winning streak. After some shaky moments in the early innings, the Blue and Blue settled down to play the baseball of which they are capable and bested the Latinites 5-3. English leaped the remaining hurdles easily, B. C. High, Dot, Tech, and Trade being defeated in order and, thus at the end of the season found themselves once again City Champions.

Not only was the club honored with the championship, but five members of the team were picked to play in the City vs. the Catholic League All-Star game. Those honored were: Joe Ryan c, Bob Guindon 1b, Leo Donahoe lf, Ted Larsen p, and Bill Donahue p. Soon after this announcement, word was received that English was to play Revere in the first game of Class A State Baseball Tourney.

Finally, special mention should be made concerning the seniors, who, in their final year of high school ball, contributed so much towards making this season a successful one. Walt Davis rose from the J.V. ranks to play great ball at short. Bob Bouyer, one of the school's fine all around athletes, patrolled the center field area. Leo Donahoe's clutch hitting and hustling tactics were a major factor in this year's success. Of course one can not omit the fine pitching corps of Bill Donahue, winner of three in the State Tourney, Ted Larsen, and Jack McGloin, without whom the wonderful year the team enjoyed would never have been possible.

Congratulations to Mr. Stewart for his fine coaching job and may he and his teams enjoy continued success.

OUTDOOR TRACK

After a creditable but not spectacular indoor season the English High outdoor track team displayed its balance and power and overwhelmed its rivals during the spring season.

The team performed brilliantly to capture the Regimental Championship garnering 138 points to its nearest rivals, Boston Technical, total of 95 points. The entire team performed well but Randy Miller's double win in the javelin and discus was outstanding. Our accomplished hurdlers lived up to expectations and both Ted Turner and Heywood Jones took their events in brilliant fashion in Class A while Leslie Lewis captured the Class B event. Many others contributed notably but perhaps the highlight of the day was the record-breaking performance by the Class C relay composed of Don Neville, Everett Sheppard, Ed Lloyd and Art Carter.

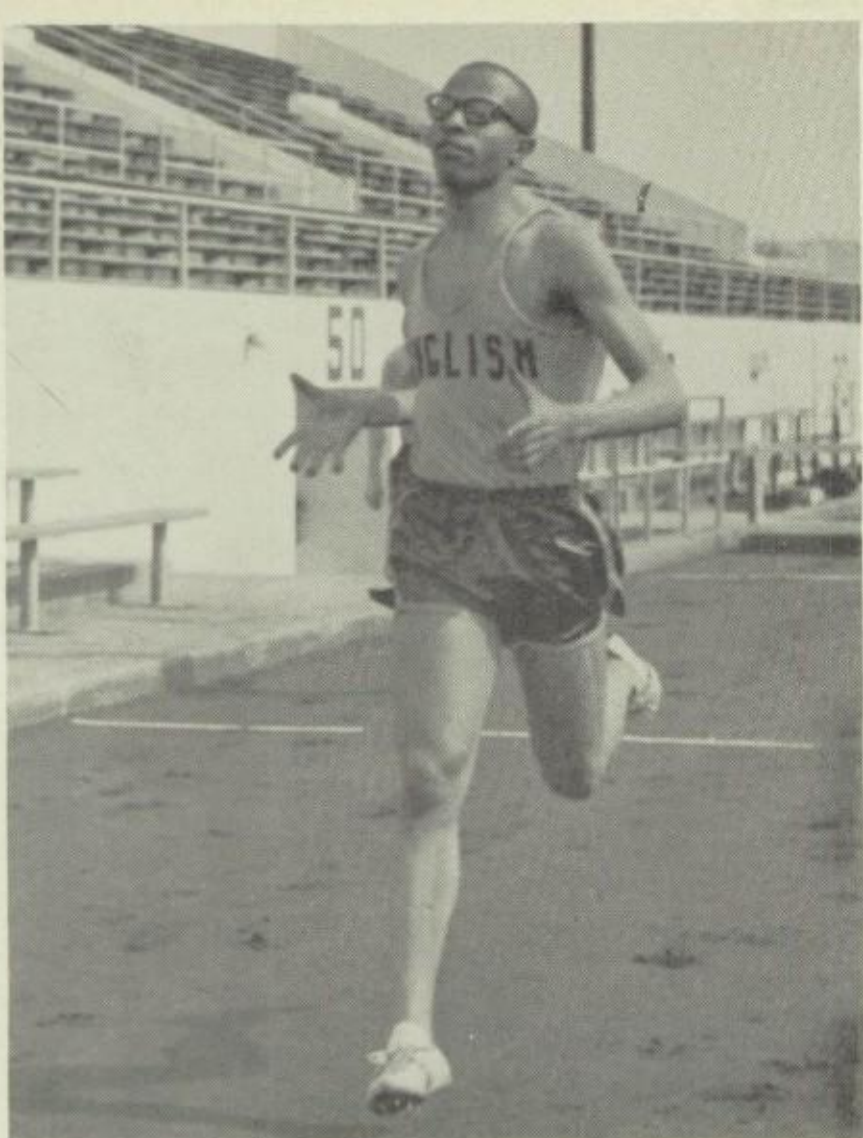

The high level of competition was maintained by the team and a most satisfactory victory in the State Championship was achieved. English came home with $35\frac{3}{4}$ points to its perennial rival, Newton High, who totaled $23\frac{1}{4}$ points. Ted Turner again performed brilliantly and established a new record in the low hurdles. Heywood Jones captured the high hurdles handily. Leslie Lewis, Jackie Cooper and Don Potts added to the total creditably in the running events. In the Field Events Bob Bouyer outclassed the field in the shot-put while Joe Bruno and Randy Miller took third and fifth place in the discus. The relay team then concluded the meet in spectacular

fashion by winning the relay race in the fast time of 1.31 which equalled the time set by the strong St. John's Prep team. This tie necessitated a run-off which St. John's won by a narrow margin thereby gaining the right to represent Massachusetts in the Championships.

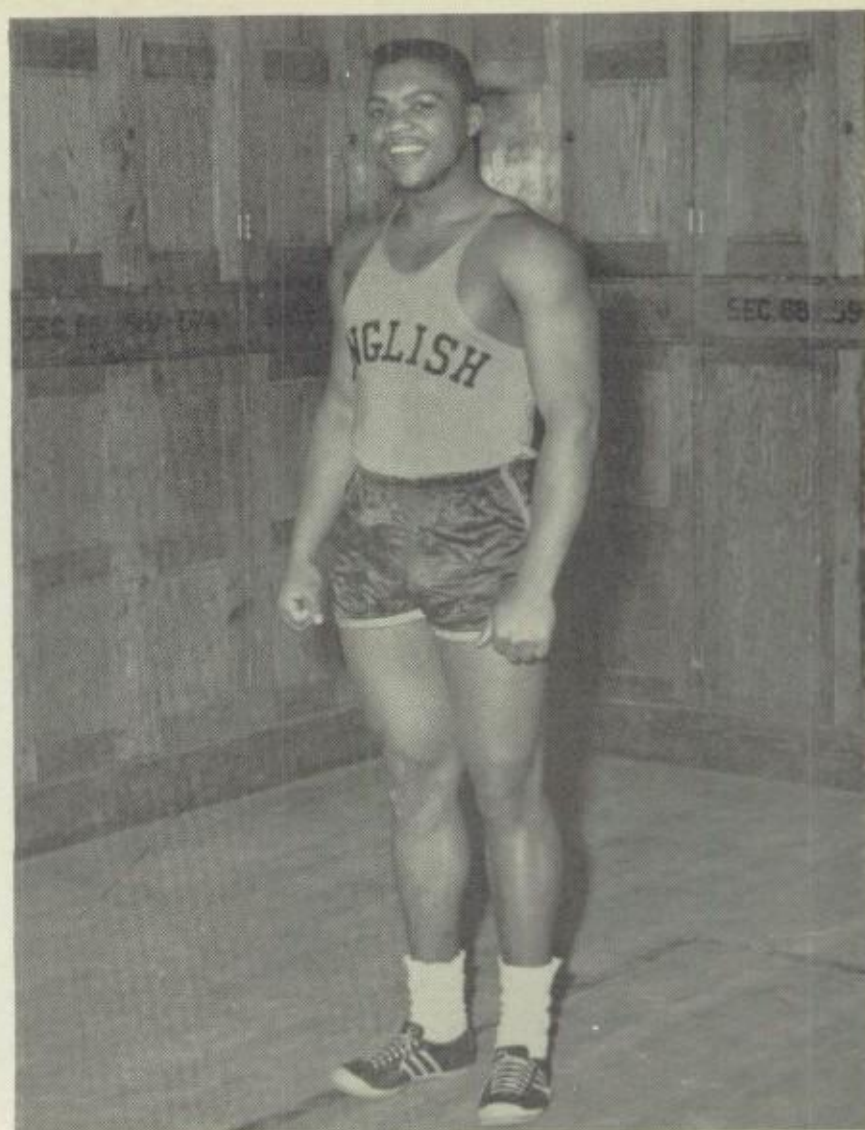

The concluding meet was the New England Championships held again at the White Stadium. English High gave considerable aid to the Massachusetts team with Ted Turner again establishing a new record in the low hurdles and Bob Bouyer getting a strong second in the shot-put. Despite these outstanding performances, Connecticut won the meet breaking the continuity of victory enjoyed by Massachusetts. However, as far as English High was concerned the season was a brilliant one and reflected great credit on all concerned.

Class Prophecy and Will

We dedicate the class of 1960's prophecy and will to the Massachusetts Board of Censors for their consideration in allowing the following to be heard and printed.

We see Gerard Cox as the most intellectual herring ever pickled.

Fred Wickles, we see as a technician in a nytro-glycerin factory.

We leave Capt. Fisher in despair over his unemployment benefits.

We leave Doc Frazier accepting green stamps for his second hand neckties.

We leave H. Randall Webb reciting cathartic poetry for the Za Zen Coffee House.

By the way H. Randall Webb's first name is Harold.

George Howarth says he's going to open up a used Vest Factory.

We see Joe Cooper playing a twangy guitar at our 50th reunion.

We see:

Lenny Adelson — Discoverer of the revolutionary Adelsonian theory of "Lundinism."

Rod Fitzgerald, we see as a 21st century Paul Bunyon and cataloguer of the research document entitled, "The Birds of Dorchester."

Lefty Fuccilo, continues his fight for the independence of the North End.

Al Corb will write a shocking exposé entitled — "To 104a and Back."

Barry Jaye will be the author of the informative pamphlet entitled — "I was a 250 lb. Strong Man."

Mr. Murphy — 200 ready-signed Billet-Doux, and a continental math jacket made of genuine chickadee hide.

Sid Bloom — How to Organize and Run a Home and School Association In Three Easy Lessons.

We leave Gregory Gile hunting down his brief case in the wilds of New Hampshire.

We see Randy Benn as a member of the Olympic Track Team and an outstanding Athlete.

David Carrey will be a noted designer of women's fashions and author of the pamphlet, "How to Take Care of Your Eyebrows."

Gene Lawrence — will establish the Irish Free State of East Boston.

We see Steve Patsavos, as the censor of the "Club Zara."

Ken Matty will eventually make the headlines as the "Mad Sulfur Bomber."

John Hurley as the loving and scrupulous caretaker of the Chiquataboitt Hill Parking Lot.

Bob Irvine as the President of Tufts and a noted Scholar.

Marty Coleman — playing love scenes in Hollywood.

We see Allan Harris and Harvey Siegal as trainers and advisors to Barry Gore who owns a doctorate degree in curtain pulling and microphone mauling.

Harold Abrams will write the much awaited novel, "The Dorf and I."

To the Goon Squad we leave a bar of soap and a pair of perfumed brass knuckles.

We see Joe Bruno as Hollywood's next Tarzan.

Philapoppoulos, Vakalopoulos, and Sewczhk leave the printers completely confuded,
. . . I mean confused.

Mike Wong and Benny Yee leave for the Cathay House with their recipe for English
High Chop Suey.

James Collins can be seen as a head cashier at the Supreme Markets.

Sullivan, Donaghue, O'Toole, and Kelley leave to open a gefilte fish factory.

The Trick Drill Team leaves a bottle of Glue for every helmet.

To Mr. Devore we leave an outline of his outlines, printed on the back of a four cent
stamp.

Dick Elia leaves with his new convertible. Our money was in good hands.

To the Editorial Staff of the Yearbook who prepared the masterpiece, we leave the
stretcher in 104a.

We leave Roland Davis busy doing nothing at all.

To our Alma Mater we leave with regret, but with the thought that in these Hallowed
Halls of Learning we have progressed from boyhood to manhood in which we shall
recall as the four best years of our lives.

THE EDITORIAL STAFF.

Soon came the big shake down, and by special orders, all lockers were searched. Hmmmmmm??? I wonder what they were looking for?????? . . .

In March, the class was given a treat, five exchange students from Needham High. For some reason this assembly was well attended.

Again May, and again Prize Drill, and again there was complete confusion.

Senior Year

The senior year started off in utter confusion, with the coming of the electronic marvel, the IBM machine. Instead of the easy to handle report cards of past years, we were introduced to cards 8" x 11" in size. Just what do you mean, we can't fold 'em???

The school finally cracked down, and everyone was given a number. There's a rumor that this system was adopted from the plan used exclusively at Concord Reformatory. To make things even worse, we were told to sit at certain tables, and that violators would be prosecuted. Pity the poor sophomores, who drilled block four and ate with us third lunch. They were forced to stand and eat their lunch, while their betters ate, sitting down, of course.

Again this year, there were locker raids; it seems they were so successful in the past, that they're being adopted as a "Traditional English High School Function." Boy, these famous traditions.

Also, new to the school, was Room 104. The only modern-looking room in the building. But the new look didn't last long, as time took its toll of wear and tear in this museum of antiquities.

Miss Preston succeeded Miss O'Neil as Nurse, and took over the old Yearbook room. The teachers are still trying to find in what closet the Yearbook staff meets.

A subject always dear to a senior's heart, is

money. This year even milk went up to the staggering price of four cents; but that isn't all, to add insult to injury, milk checks were issued. Boy, English High School, we will miss you!

Just after school began, the class elections got under way. After many hours of bribes and threats, the following were the people's choice

Steve MarderPresident
Tony LoVuoloVice-President
Dick EliaSecretary-Treasurer
Ray Barrow and
Bill MoultonExecutive Committee

November, and it's getting to be the same old story, Thanksgiving Day and . . . Well let's thank the team for trying.

These High School Exchanges are getting better and better every year. This year involved Canton High, with 4 boys, 2 girls and 1 woman.
The Big Change . . .

On a Blue Monday in April the classes were all extended by 20 to 30 minutes. What a Drag!!!! Those double Chem. Periods are murder!!! By the way whatever happened to the lifesaver, Block four ??? This place is becoming more and more like school every day.

Miah J. Falvey, reverently referred to as the "Little Caesar" had threatened to retire. We will miss you Miah Falvey!!!

As usual, the Prom was held at the same place, same day, same time, and graduation likewise. Boy, there goes that English High tradition again . . .

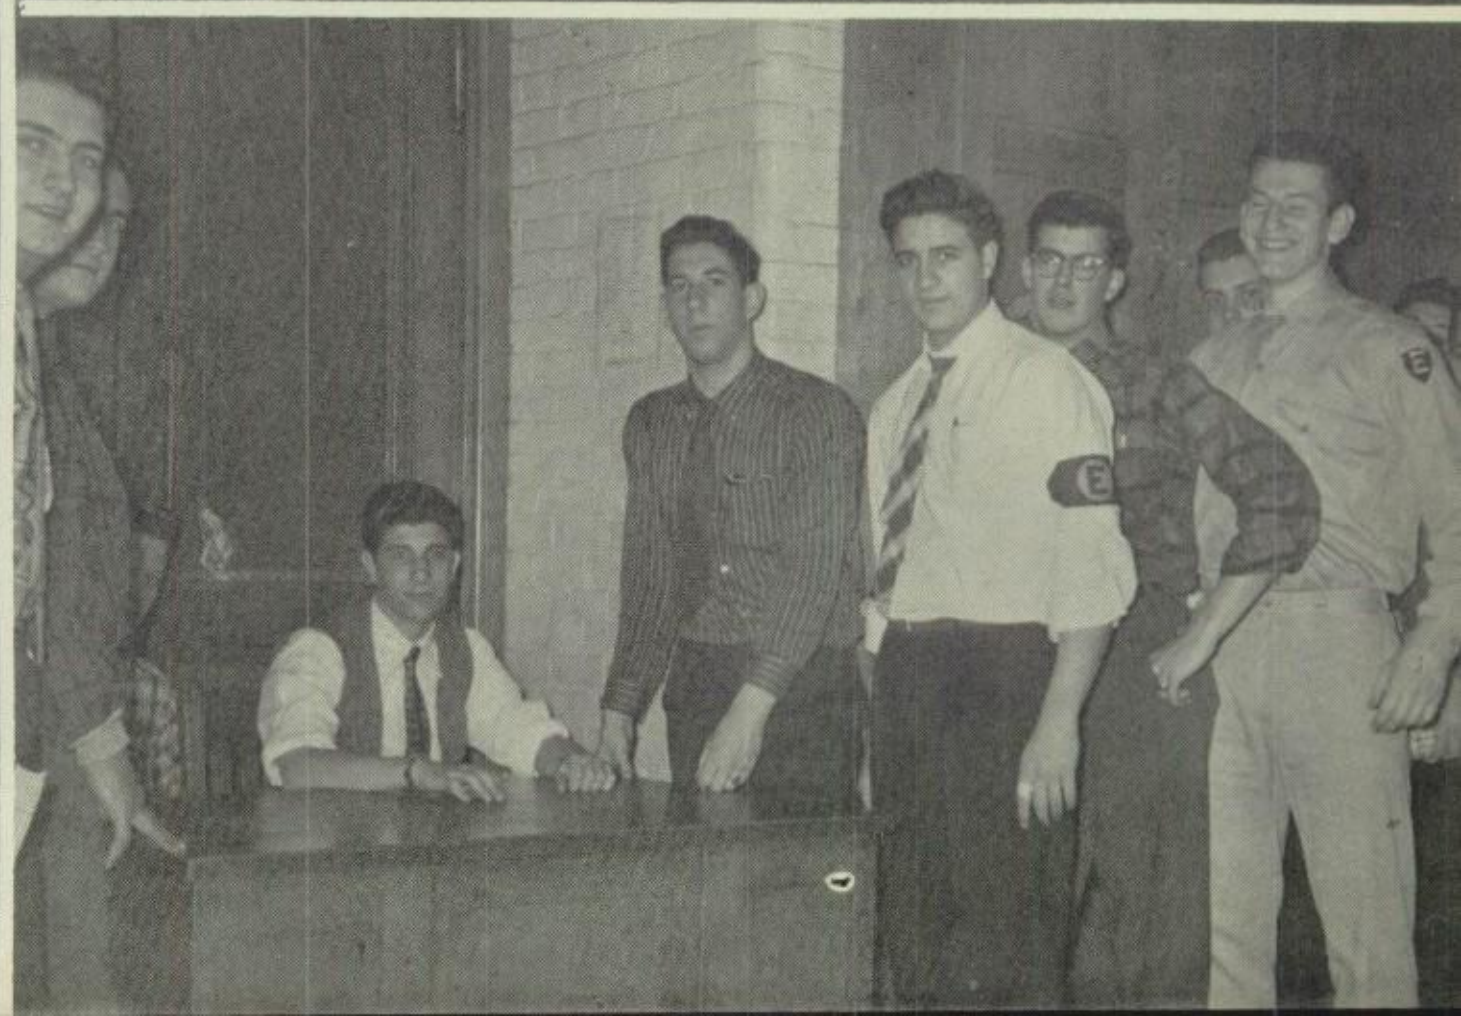

So ended four eventful years at the ivied halls of English.

Editorial . . .

Nations can no longer exercise leadership through sheer numbers of man power. The time is here when the nations with the greatest alignment of brain power will set the course of the world.

If this be true, then the future development of America's greatest strength begins with her educational system. But this strength is meaningless unless those who benefit from its highest levels of training use their education to serve the cause of freedom.

Recent world events stress the growing need for a national purpose and greater unity among American people in defense of the very freedom which makes it possible for individuals to choose their way of life.

Perhaps at no time in history have the basic concepts and beliefs of America been more greatly challenged than in 1960.

Why do we appear to be losing face in the cold war? Is it because we fail to see the importance of understanding the ways and customs of our foreign neighbors? Where a real understanding and sympathy is needed many Americans feel disposition of money will suffice. To a multitude of people in foreign lands we appear to be a nation of kindly but somewhat disinterested high financiers.

The surest way to prevent the initiative from slipping from the United States in the world wide struggle is to move away from purely materialistic goals. We must bid farewell to dollar diplomacy and go back to the charity of God.

"THE STAR-SPANGLED BANNER"

ADDRESS OF WELCOME

STEVEN M. MARDER, President, Class of 1960

PRAYER OF THANKSGIVING

We gather together
To ask the Lord's blessing,
He chastens and hastens
His will to make known;
The wicked oppressing
Cease them from distressing,
Sing praises to His name —
He forgets not His own.

We all do extol Thee,
Thou leader in battle,
And pray that Thou still
Our Defender wilt be.
Let Thy congregation
Escape tribulation
Thy name be ever prais'd:
O Lord, make us free.

Valedictory Address

This is an evening that we have anticipated throughout our High School Years, for it is the culmination of four years of hard work. Sometimes the problems that we have faced seemed almost insurmountable and we were tempted to give in to our inherent laziness. But, as a class, we have persevered and come out on top.

As graduates we must realize the problems that confront us. There is no doubt in anyone's mind that the world is in turmoil. Just a look at the newspapers will show us that. There are revolutions and counter-revolutions occurring in countries very close to us. Communism is spreading like warm molasses and engulfing hordes of people in its sticky grip. The fear of Communist domination and cold war nuclear threats are the factors that make us uneasy today, when we realize how close the world has been bound by modern transportation. We must meet and recognize these two fears as very real, and we should make it a personal challenge to insure peace for our families.

However, in the midst of the insecurity and fear we note a tremendous speed-up in scientific and medical developments. Such progress gives us faith in the intrinsic worth of the individual man, a fundamental concept which the United States has always held in high esteem. New and unheard of fields provide job opportunities that our parents never had, because their generation experienced years of economic depression.

We seem to be sobered by the odds and competition that confront us in the world today. Whether we are going out into the business or professional world, or on to some preparatory school or college, we know that the training that we have received at English High will be of great benefit to us in the future. We can never thank our teachers enough

ERIC LOTH

for the fine work that they have done, instilling in our minds the high principles of character that the English High School stands for. But now we, as graduates, are on our own. We have no excuse for sheltering ourselves or being complacent. We must not be hesitant to voice our convictions, always living by the concepts enshrined in our Declaration of Independence and our State Constitutions, and in the Ten Commandments, a basis for all, living by the ethical principles inherent in our cultural and moral heritage. Tonight, we of the Class of 1960 are both happy and sad, happy at what lies before us and sad at what we leave behind. As a class we shall split up, meeting only briefly in the future for reunions. But we shall always remain among the most dedicated alumni of the English High School, and carry with us many fond memories of our school days.

With best wishes for the future let us say to one another — not "Farewell," but rather, "Till we meet again."

Class Song

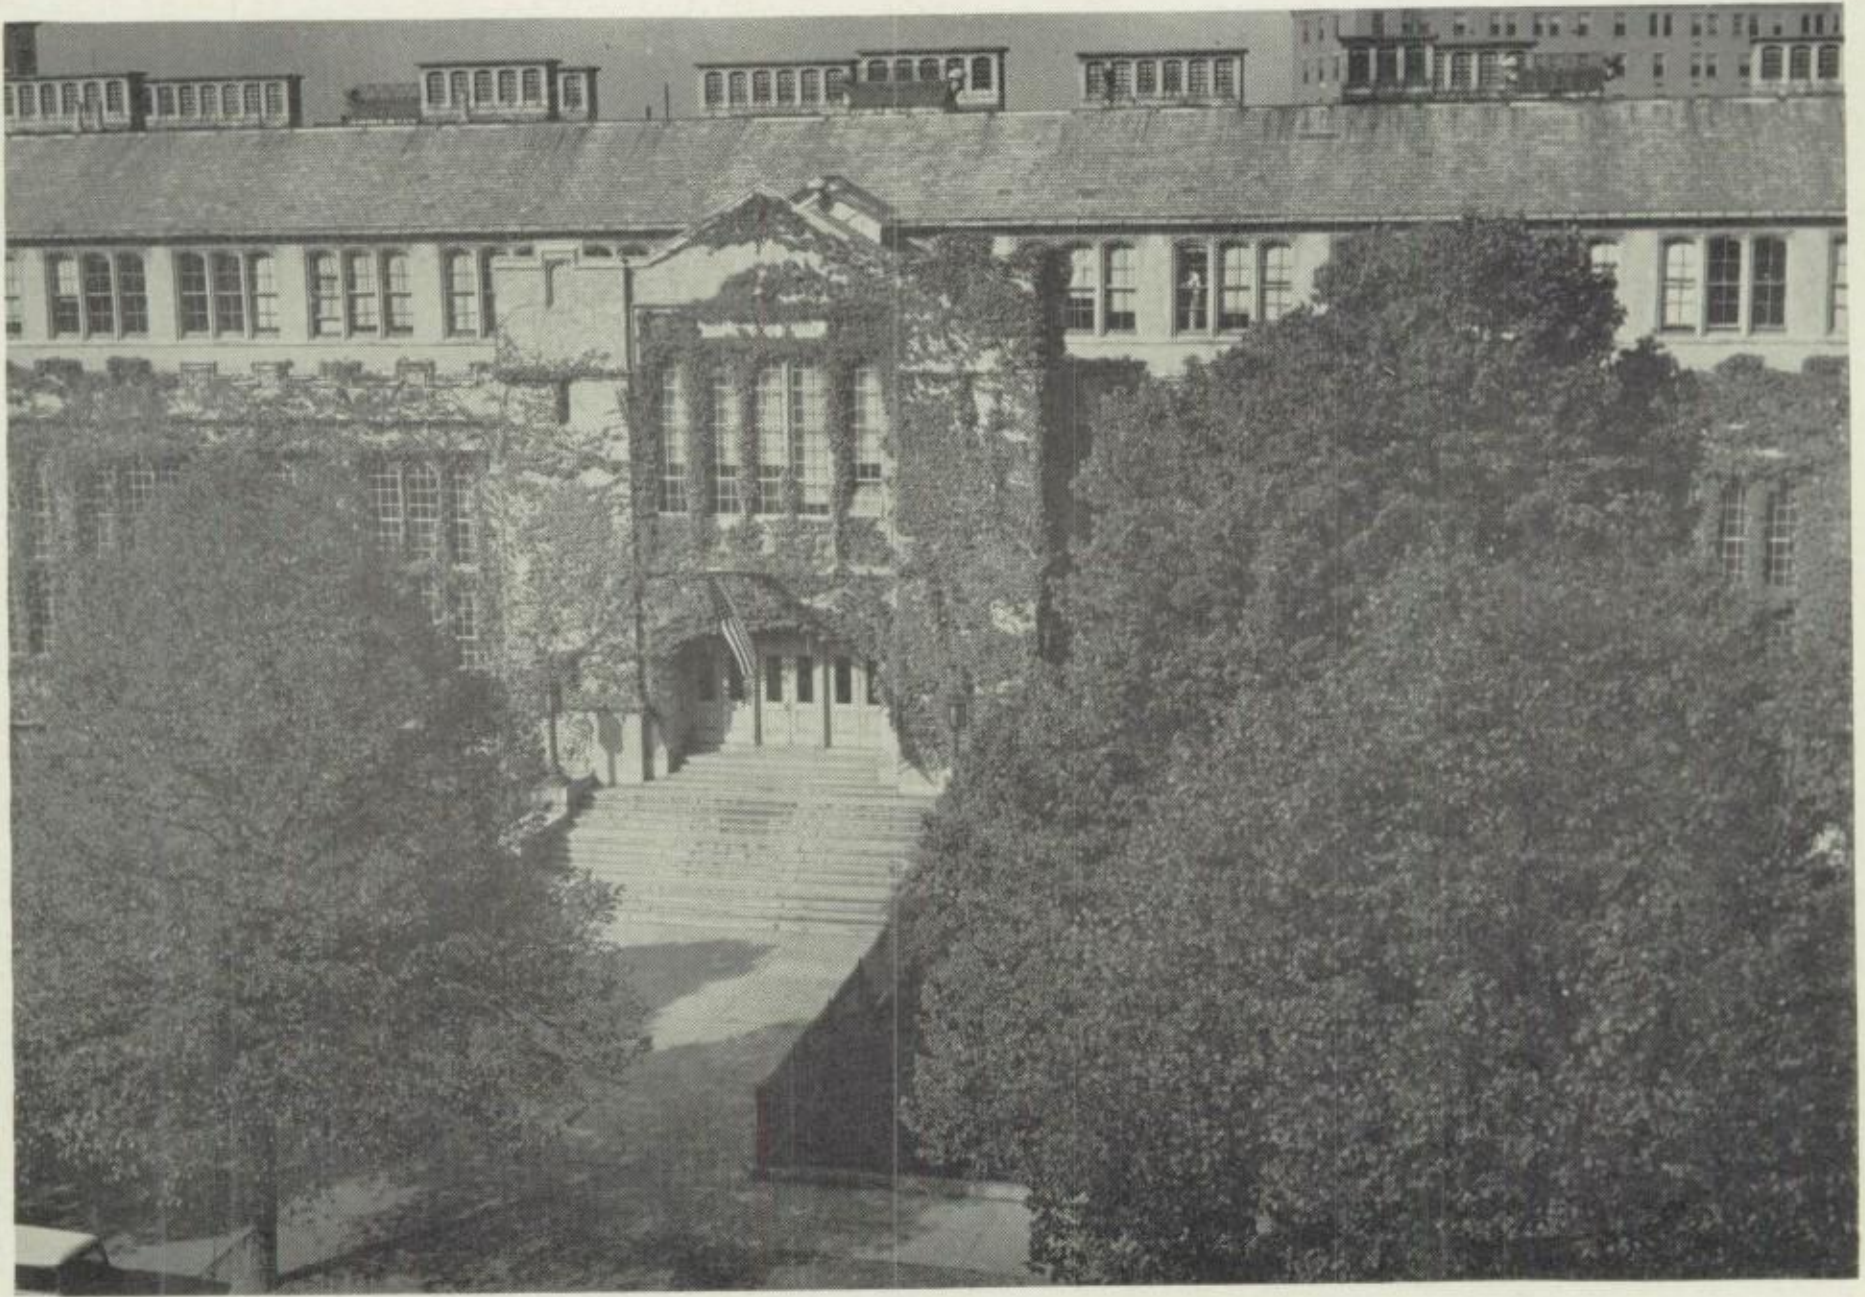

(tune — "Far Above Cayuga's Waters")
We upon life's threshold standing
Pause in reverie;
Carefree days at English High School
Ne'er again we'll see.

English High School,
Alma Mater,
We shall oft proclaim.
Grateful sons, in life we'll bring
Honor to thy name.

Now the time has come for parting,
Now we say goodbye.
Let us raise our voice in praise of
Dear old English High.

English High School,
Alma Mater,
We shall oft proclaim.
Grateful sons, in life we'll bring
Honor to thy name.

David R. Carrey, '60
Alfred J. Fisher, '60

Alma Mater

Alma Mater, tried and true,
English High, our English High
Oft' our hearts shall turn to you,
English High, our English High;
Should e'er the laurel wreath be mine,
I'll lay the honor at thy shrine,
Our hearts, our hopes, our prayers are thine,
English High, our English High.

Men may come and men may go,
English High, our English High;
Yet in deep and peaceful flow,
English High, our English High;
Shall thy stream of learning wide,
Through the ages grandly glide,
Ever to thy sons a pride,
English High, our English High.

A Little Better

A little better skill in posing, a little better likeness and Boston's foremost imprint—and you have a much better photograph, much more satisfaction and far wider approval of results. Then we add beautiful covers and scrupulous care in details of packing and, mark it — we deliver on time. No detail escapes our interested care.

FRANKLIN
TECHNICAL INSTITUTE

CO-EDUCATIONAL

Dear English High School Senior,

The Scientific Revolution taking place in your lifetime is changing the industrial jobs of New Englanders. Once noted for textiles and leather goods, New England today produces complex electronic and mechanical equipment, guided missiles, computers. Great structures are designed in engineering offices, and advanced research is done in many laboratories. New companies are moving into the area, and older companies are expanding.

Your future lies in these modern, science-based companies which are bettering our way of life. And further training after you leave high school is a must if you hope to get anywhere in one of these new industries.

Franklin Technical Institute has the reputation and the experience necessary to prepare a young man for the kind of engineering career that could be yours. Graduates of Franklin's two-year day programs in engineering technology are awarded the degree of Associate in Engineering. Each year, over one hundred nationally known companies recruit personnel from among the graduating class.

If you would like to learn more about the rewarding career opportunities that would be yours as a Franklin graduate, I shall be very happy to send you, at your request, a pictorial booklet showing actual graduates and the positions they hold in industry. You would also receive catalogues describing Franklin's Associate in Engineering Degree programs and other technical courses.

Please feel free to call at the Institute any time while classes are in session. We shall be happy to answer your questions.

Sincerely,

Louis J. Dunham Jr., Director
Franklin Technical Institute
